Whittaker, Jose Maria Fernandez-Palacios, 2006-11-30 Island biogeography is the study of the distribution and dynamics of species in island environments Due to their isolation from more widespread continental species islands are ideal places for unique species to evolve but they are also places of concentrated extinction Not surprisingly they are widely studied by ecologists conservationists and evolutionary biologists alike There is no other recent textbook devoted solely to island biogeography and a synthesis of the many recent advances is now overdue This second edition builds on the success and reputation of the first documenting the recent advances in this exciting field and explaining how islands have been used as natural laboratories in developing and testing ecological and evolutionary theories In addition the book describes the main processes of island formation development and eventual demise and explains the relevance of island environmental history to island biogeography The authors demonstrate the huge significance of islands as hotspots of biodiversity and as places from which disproportionate numbers of species have been extinguished by human action in historical time Many island species are today threatened with extinction and this work examines both the chief threats to their persistence and some of the mitigation measures that can be put in play with conservation strategies tailored to islands **Floating Islands** Richard J. Heggen, 2021-01-01 *Floating Islands* in science history the arts and any number of sightings elsewhere **Islands and the British Empire in the Age of Sail** Douglas Hamilton, John McAleer, 2021-06-17 Islands are not just geographical units or physical facts their importance and significance arise from the human activities associated with them The maritime routes of sailing ships the victualling requirements of their sailors and the strategic demands of seaborne empires in the age of sail as well as their intrinsic value as sources of rare commodities meant that islands across the globe played prominent parts in imperial consolidation and expansion This volume examines the various ways in which islands and groups of islands contributed to the establishment extension and maintenance of the British Empire in the age of sail Thematically related chapters explore the geographical topographical economic and social diversity of the islands that comprised a large component of the British Empire in an era of rapid and significant expansion Although many of these islands were isolated rocky outcrops they acted as crucial nodal points providing critical assistance for ships and men embarked on the long distance voyages that characterised British overseas activities in the period Intercontinental maritime trade colonial settlement and scientific exploration and experimentation would have been impossible without these oceanic islands They also acted as sites of strategic competition contestation and conflict for rival European powers keen to outstrip each other in

developing and maintaining overseas markets plantations and settlements The importance of islands outstripped their physical size the populations they sustained or their individual economic contribution to the imperial balance sheet Standing at the centre of maritime routes of global connectivity islands offer historians of the British Empire fresh perspectives on the intercontinental communication commercial connections and territorial expansion that characterised that empire *The Andy Smithson Series: Books 1, 2, and 3* LRW Lee, 2014-09-29 Video games can't train you to fight dragons 3 books Nearly 700 pages of action Save over 40% when you buy the box set Medieval and modern day collide when gamer Andy Smithson is whisked away to the magical land of Oomaldee where dragons giants and deadly curses lurk around every corner Trading his controller for a sword of legend Andy embarks upon several epic quests to break a centuries old curse oppressing the land It isn't chance that plunges him into the adventure though for he soon discovers his ancestors are behind the curse The Andy Smithson series is a coming of age epic fantasy adventure featuring fast paced action sword fights laugh out loud humor with a few life lessons thrown in by USA Today bestselling author L R W Lee It's perfect for fans of Eragon Fablehaven Percy Jackson Magesmother and Aster Wood Grab your copy now Save 40% over buying each book separately Scroll up and buy it today PRAISE FOR THE ANDY SMITHSON EPIC FANTASY SERIES One of the best books This is the best adventure book with humor twists and turns not a romance novel more adventure Yotam Messing Guy via Google Play Books This book was just what I was looking for I loved the twists and turns of the plot The characters were engaging and interesting SpookierPage GoldenShadow via Google Play Books This book was perfect for the young and old fantasy lovers Kayla Jackson via Google Play Books I absolutely love the story I love the characters Lee has created how they parallel to the real world and the challenges and struggles each faces Bert Edens via Goodreads Why did I wait so long to read this I absolutely loved this book Cherese A Vines via Goodreads The Andy Smithson epic fantasy series includes Blast of the Dragon's Fury Venom of the Serpent's Cunning Disgrace of the Unicorn's Honor Resurrection of the Phoenix's Grace Vision of the Griffin's Heart Wisdom of the Centaurs Reason Battle for the Land's Soul Power of the Heir's Passion Prequel Keywords related to this epic fantasy series Paranormal Fantasy Books For Young Adults Fantasy Omnibus Top Rated Teen Fantasy Collection With Dragons And Shapeshifters Dragon Books Free Kids Free Fantasy Books For Young Adults Top Rated Books Dragon Books Free Young Adult Series Omnibus Bundle Young Adult Box Set Fantasy Box Set Young Adults Romance Books Free Dragons Omnibus Young Adults Free Books Omnibus Best Books For Kids Young Adult Omnibus Epic Fantasy Books Free Dragon Box Set Omnibus Set Free Young Adults Fantasy Books Epic Fantasy Free Fantasy Romance Books For Young Adults Fantasy Bundle Horse Books For Free Boxed Set YA Fantasy Omnibus Collection Epic of Gilgamesh Dragon Series Best Rated Omnibus Young Adult Dragon Boys Epic Free YA Fantasy Books Girls Omnibus Dragon Romance Free Dragons Free Books Epic Turtle Tales Free Dragon Books Top Teens Dragon Dragon Omnibus Fantasy Box Sets Young Adult Bundle And Teen Bundle Dragons Series Young Adults Books Free Dragons Box Set Free Series Box Sets Fantasy Young Adults Romance Books
