**Victims as Offenders** Susan Miller, 2005-09-22 Arrests of women for assault increased more than 40 percent over the past decade while male arrests for this offense have fallen by about one percent Some studies report that for the first time ever the rate of reported intimate partner abuse among men and women is nearly equal Susan L Miller s timely book explores the important questions raised by these startling statistics Are women finally closing the gender gap on violence Or does this phenomenon reflect a backlash shaped by men who batter How do abusive men use the criminal justice system to increase control over their wives Do police courts and treatment providers support aggressive arrest policies for women Are these women victims or offenders In answering these questions Miller draws on extensive data from a study of police behavior in the field interviews with criminal justice professionals and social service providers and participant observation of female offender programs She offers a critical analysis of the theoretical assumptions framing the study of violence and provides insight into the often contradictory implications of the mandatory and pro arrest policies enacted in the 1980s and 1990s Miller argues that these enforcement strategies designed to protect women have often victimized women in different ways Without sensationalizing Miller unveils a reality that looks very different from what current statistics on domestic violence imply

Sexually Abused Children is a creative and practical guide for professionals working directly with those who have suffered sexual abuse and for their carers. The trauma of sexual abuse experienced in childhood can be severe and enduring. Therapeutic support is offered to help both the child and the family cope with psychological or emotional difficulties both currently and in later life. Therapists must be able to respond effectively to the child victim in a sensitive and timely way which prioritizes the needs of each child. Drawing on their experience as practitioners, the authors explore the reactions which children commonly experience following abuse and examine the tasks of the therapist in responding to them. This book explores the counselling of children who have been abused rather than adult survivors of child abuse. The book will benefit from the combined experiences of one US author and one UK author.

**How the World is Making Our Children Mad and What to Do About It** Louis Weinstock, 2022-11-01 A critical parenting book for helping children relieve their anxiety, stress and fear through these turbulent times, whether your child is struggling with mental health issues already or you want to help them build their capacity to handle change and uncertainty. How can we raise children in a world that appears to have gone so wrong? We all want our children to grow up in a world where they feel safe and where people are kind to each other and the planet. But when we hear about climate change, a mental health crisis and war, it's hard not to worry about the future and how they will cope. Drawing on over 20 years of helping children and families, psychotherapist Louis Weinstock is here to help. Combining case studies, playful meditations and simple exercises with life-changing insights from history, science, psychology and anthropology, this is a parenting book like no other. Whether your child is struggling with mental health issues already or you want to build their capacity to handle change and uncertainty, this book is a safe place to catch your breath and develop the skills to help your child through life's challenges. You will discover ways to find peace in the middle of chaos, bring deeper levels of love and healing to the troubled parts of your child and yourself, and find hope when things feel hopeless. Most importantly, you will see that inside of you, there is
