**Blessed Anastacia** John Burdick, 2013-01-11 The weakness of Brazil's black consciousness movement is commonly attributed to the fragility of Afro-Brazilian ethnic identity In a major account John Burdick challenges this view by revealing the many layered reality of popular black consciousness and identity in an arena that is usually overlooked that of popular Christianity Blessed Anastacia describes how popular Christianity confronts everyday racism and contributes to the formation of racial identity The author concludes that if organizers of the black consciousness movement were to recognize the profound racial meaning inherent in this area of popular religiosity they might be more successful in bridging the gap with its poor and working class constituency

**Portuguese Film, 1930-1960** Patricia Vieira, 2013-08-29 Portuguese Film 1930-1960 The Staging of the New State Regime provides groundbreaking analysis of Portuguese feature films produced in the first three decades of the New State Estado Novo a right wing totalitarian regime that lasted between 1933 and 1974 These films sponsored by the National Propaganda Institute Secretariado Nacional de Propaganda convey a conservative image of both mainland Portugal and the country's overseas African colonies Angola Mozambique Cape Verde Guinea Bissau and St Thomas and Principe The films about the mainland emphasize traditional values the importance of obedience to authorities and a strict division of gender roles whereby women are relegated to the domestic sphere The Portuguese countryside where age old customs and a strong social

hierarchy prevailed is presented in these movies as a model for the rest of the country The films about the colonies in turn underline the benefits of the Portuguese presence in Africa and portray the colonized as docile subjects to Portuguese rule The book includes chapter summaries in the introduction in depth analyses of the most important Portuguese films produced between 1930 and 1960 a discussion of the main topics of Portuguese cinema from the New State and a comprehensive bibliography that guides students who wish to read further on a specific topic First published in Portuguese to wide acclaim Portuguese Film 1930 1960 The Staging of the New State Regime fills a gap in English language scholarship on the history of the national cinema of the Iberian peninsula Films covered include Fatima Land of Faith Terra de Fe Spell of the Empire Feitico do Imperio and Chaimite Children and Young People's Participation in Disaster Risk Reduction Mort, Maggie,Rodriguez-Giralt, Israel,2020-11-30 Available Open Access under CC BY NC licence Disasters are an increasingly common and complex combination of environmental social and cultural factors Yet existing response frameworks and emergency plans tend to homogenise affected populations as victims overlooking the distinctive experience capacities and skills of children and young people Drawing on participatory research with more than 550 children internationally this book argues for a radical transformation in children s roles and voices in disasters It shows practitioners policy makers and researchers how more child centred disaster management that recognises children s capacity to enhance disaster resilience actually benefits at risk communities as a whole Contemporary Hispanic Poets: Cultural Production in the Global, Digital Age John Burns,2015-03-15 Poets writing in Spanish by the end of the twentieth century had to contend with globalization as a backdrop for their literary production They could embrace it ignore it or potentially re imagine the role of the poet altogether This book examines some of the efforts of Spanish language poets to cope with the globalizing cultural economy of the late twentieth century This study looks at the similarities and differences in both text and context of poets some major and some minor writing in Chile Mexico the Mexican American community and Spain These poets write in a variety of styles from highly experimental approaches to poetry to more traditional methods of writing Included in this study are Chileans Ra l Zurita and Cecilia Vicu a Spaniards Leopoldo Mar a Panero and Luis Garc a Montero Mexicans Silvia Tomasa Rivera and Guillermo G mez Pe a and Mexican American Juan Felipe Herrera Some of them embrace and are even embraced by media both old and new whereas others eschew it Some continue their work in the vein of national traditions while others become difficult to situate within any one single national tradition Exploring the varieties of strategies these writers employ this book makes it clear that Spanish language poets have not been exempt from the process of globalization Individually these poets have been studied to varying degrees Globalization has been studied extensively from a variety of disciplinary approaches particularly in the context of the Latin American region and Spain However it is a relative rarity to see poets being studied as they are in this work in terms of their relationship to globalization Taken as a sample or snapshot of writing tendencies in Latin American and Spanish poetry of the late twentieth century this book studies them as part of a greater circuit of cultural

production by establishing their literary as well as extra literary genealogies and connections It situates these poets in terms of their writing itself as well as in terms of their literary traditions their methods of contending with neoliberal economic models and global information flows from the television and Internet Although many literary critics attempt to study the connections and relationships between poetry and the world beyond the page few monographs go about it the way this one does It takes a transatlantic approach to contemporary Spanish language poetry focusing on poets on poets from Spain and the American continent emphasizing their connections commonalities and differences across increasingly porous borders in the age of information The relationship between text and context is explored with a cultural studies approach more often associated with media studies than with literary studies Literature is not treated as a privileged object of isolated study but rather as a system of ideas and images that is deeply interwoven with other forms of human expression that have arisen in the last decades of the twentieth century The result is a suggestive analysis of the figure of the poet in the broader globalized marketplace of cultural goods and ideas Contemporary Hispanic Poets Cultural Production in the Global Digital Age is an important book for library collections in Spanish Latin American and Iberian Studies Chicano Studies *Comparative Approaches to Informal Housing Around the Globe* Udo Grashoff, 2020-02-06 *Comparative Approaches to Informal Housing Around the Globe* brings together historians anthropologists political scientists sociologists urban planners and political activists to break new ground in the globalisation of knowledge about informal housing Providing both methodological reflections and practical examples they compare informal settlements unauthorised occupation of flats illegal housing construction and political squatting in different regions of the world Subjects covered include squatter settlements in Kyrgyzstan and Kazakhstan squatting activism in Brazil and Spain right wing squatting in Germany planning laws and informality across countries in the Global North and squatting in post Second World War UK and Australia 8 ou 80 Branca Barão, 2013-06-27 Esteve na lista de mais vendidos da revista Veja Autora j palestrou mais de 4 300h em cerca de 60 empresas entre elas Avon Credicard Natura e Rede Globo Traz contos e depoimentos pessoais ajudam a desvendar os v rios personagens que vivem dentro de cada um O livro 8 ou 80 DVS Editora de Branca Bar o um aliado na busca constante pelo autoconhecimento A autora intercala suas viv ncias a contos e par bolas para auxiliar o leitor a reconhecer todas as facetas que o constituem e a transitar facilmente entre elas conforme a necessidade Branca teve a coragem e a iniciativa de se expor para auxiliar em nossa viagem rumo ao centro de n s mesmos Com escrita leve e em tom coloquial 8 ou 80 se tornar seu livro de cabeceira para ser lido e relido com facilidade sempre que voc precisar buscar nele informa es sobre uma ou outra caracter stica que est definindo seu modo de agir em determinado momento da vida Al m das narrativas segundo a autora sempre baseadas em epis dios reais na obra voc encontrar defini es para personagens opostos medroso ou corajoso ciumento ou seguro enfim 8 ou 80 seguidas de ditos populares trechos de m sicas e pensamentos relacionados a cada um deles

G. White, 2025-07-29 A autora desta obra escreveu que todo verdadeiro discipulo nasce no reino de Deus como missionario. Nada mais verdadeiro. Quando o amor de Cristo enche nosso coraço, ele transborda aos que nos cercam. Palavras, pensamentos e ações passam a ter o nobre propósito de exaltar o Criador e promover a salvação do semelhante. Tudo gira em torno do Salvador e a preocupação primordial conquistar vidas para Ele. Mas qual o jeito certo de fazer discipulos? Servir o Cristo explica com objetividade a teoria e a prática a filosofia e os métodos mais eficazes para trabalhar na obra do Mestre e obter excelentes resultados. Aqui você entenderá que testemunhar mais que um dever, um grande privilégio. *Pais Conscientes, Filhos Felizes* Jon Kabat-Zinn, 2017-09-01 Um manual de inteligência emocional para pais. Todas as crianças vêm ao mundo com as suas próprias qualidades características e temperamento. Como pais, devemos reconhecer que cada uma delas é um ser único. Devemos honrá-las acolhendo-as tal como são sem as querer mudar por mais difícil que isso seja. Myla e Jon Kabat Zinn, O filho dos autores de 19 anos, tinha prometido ir jantar a casa no dia de Ação de Graças. Horas antes, ligou a dizer que afinal não podia. Chegou uma manhã com a energia típica dos adolescentes, entrou no quarto onde estavam os pais e deitou-se tranquilamente sobre eles, como recorda o autor. Qualquer laivo de irritação pela hora tardia e de desapontamento por ele não ter chegado a tempo de jantar evaporou-se de imediato. Anos de prática de mindfulness permitiram-lhes estar preparados para aquele momento. Para viver aquele momento e sentir simplesmente o enorme amor do filho por eles e deles pelo filho. Neste livro dedicado a nós pais, Myla e Jon Kabat Zinn explicam porque nós devemos libertar dos medos e dos desejos pessoais para estarmos completamente disponíveis para os nossos filhos em todas as fases das suas vidas. Mostram como usar os três pilares: soberania, empatia e aceitação. Ensinam-nos a aceitar os nossos filhos tal como eles são e não como gostaríamos que fossem e a perceber que educar com plena consciência contribui para o crescimento dos filhos e para relações familiares mais felizes e saudáveis.
