Empires and Bureaucracy in World History Peter Crooks,Timothy H. Parsons,2016-08-11 A comparative study of the power and limits of bureaucracy in historical empires from ancient Rome to the twentieth century *The End of the Christian Life* J. Todd Billings,2020-09-15 We re all going to die Yet in our medically advanced technological age many of us see death as a distant reality something that happens only at the end of a long life or to other people In *The End of the Christian Life* Todd Billings urges Christians to resist that view Instead he calls us to embrace our mortality in our daily life and faith This is the journey of genuine discipleship Billings says following the crucified and resurrected Lord in a world of distraction and false hopes Drawing on his experience as a professor and father living with incurable cancer Billings offers a personal yet deeply theological account of the gospel s expansive hope for small mortal creatures Artfully weaving rich theology with powerful narrative Billings writes for church leaders and laypeople alike Whether we are young or old reeling from loss or clinging to our own prosperity this book challenges us to walk a strange but wondrous path in the midst of joy and lament to receive mortal limits as a gift an opportunity to give ourselves over to the Lord of life What God Does Not Know Roger R. Dubois,2019-09-06 Are there things that God does not know Do you wonder how to answer that nagging question in the back of your mind Are you curious about where and to whom you belong Could someone possibly love you forever with a love that never changes Do you long to know you re accepted unconditionally even if your inner secrets are known Do you know a prodigal If your answers to some or even one of those questions is YES then this book may be the proverbial answer to your prayers There are four biblical truths that when applied to our lives will forever change us These truths are so simple we often struggle with their application However when we fully embrace them they radically transform us and provide the answer to our deepest desire for acceptance This book is intended for the prodigals in our lives as well as those already walking with God every day Using Jesus s timeless parable of the prodigal son we ll explore four things that God does not know We ll learn how those truths can answer questions that have gone unanswered for far too long On Location Recording Techniques Bruce Bartlett,Jan Bartlett,Jenny Bartlett,2013-02-11 Dividing classical and popular music recording into two distinct sections this book focuses on the special techniques used for recording outside the confines of the studio and shows readers how to interface with sound reinforcement equipment in the hall or club Recent developments in portable digital multitrack recorders and high quality mixers have made on location recording feasible for all recording engineers Many bands want to be recorded in concert because they feel that is when they play their best music The engineer
