## **Song Of A Prisoner:**

*Song of a Prisoner* Okot p'Bitek, 1971 *Song of Prisoner* confronts the tragedy of Africa's decade of freedom. It traverses the whole spectrum of her political sickness and contrasts it with the enduring reality of the bush roots of family and clan and the optimism of Africa's children in the face of hunger, hardship and humiliation. *The Tears of My Sister ; The Prisoner's Song ; The One-armed Man ; And, The Land of the Astronauts* Horton Foote, 1993 *THE STORIES THE TEARS OF MY SISTER* follows Cecilia as she watches her sister Bessie try and fail to avoid marrying a man she doesn't love. Both young girls come of age in their own way as they learn that life is not always fair. 2 men 4 women. **African Literature in the Twentieth Century** O. R. Dathorne, 1975 Explores intellectual currents in African prose and verse from sung or chanted lines to modern writings. **The Song Index of the Enoch Pratt Free Library** Ellen Luchinsky, 2020-12-23 The Song Index features over 150 000 citations that lead users to over 2 100 song books spanning more than a century from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures and traditions ranging from ethnic to regional from foreign to American representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military and classical as well as hymns, spirituals, ballads, arias, choral symphonies and other larger works. This comprehensive volume also includes a bibliography of the books indexed, an index of sources from which the songs originated and an alphabetical composer index. **The Language of African Literature** Edmund L. Epstein, Robert Kole, 1998 In this unprecedented anthology some of the most prolific and widely read African novelists are analysed. **The Man in Song** John M. Alexander, 2018-04-16 There have been many books written about Johnny Cash but *The Man in Song* is the first to examine Cash's incredible life through the lens of the songs he wrote and recorded. Music journalist and historian John Alexander has drawn on decades of studying Cash's music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure. In discovering why Cash wrote a given song or chose to record it, Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives and not whether the song would become a hit. The hits came of course: Johnny Cash sold more than fifty million albums in forty years and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame, the Country Music Hall of Fame, the Songwriters Hall of Fame and the Gospel Music Hall of Fame. *The Man in Song* connects treasured songs to an incredible life. It explores the intertwined experience and creativity of childhood trauma. It rifles through the discography of a life: Cash's work with the Tennessee Two at Sam Phillips's Sun Studios, the unique concept albums Cash recorded for Columbia Records, the spiritual songs, the albums recorded live at prisons, songs about the love of his life June Carter, Cash's songs about murder and death and addiction, songs about ramblers and even silly songs. Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend, *The Man in Song* will appeal to a fan base spanning generations. Here is a biography for those who first heard *I Walk the Line* in 1956, a younger

generation who discovered Cash through songs like his cover of Trent Reznor's Hurt and everyone in between
