Song Of Eve:

Eve's Song M.J. Ferguson,2012-05-09 Eve's Song is a short story of Eve as seen through her eyes It begins at her creation by God and ends at the death of her beloved husband Adam She tells of her experiences in the garden of Eden her temptation and fall and life outside the garden This of course is a novel but it does not contradict the Bible It expands on her possible feelings of joy and love and fears for her family and future **Eve's Bible** Sarah S. Forth,2009-05-26 Eve's Bible is for every woman who has ever said I've always wanted to read the Bible but Whatever the reason it's too complicated too big too old too many men and too few women and anyway I don't know whether I believe it or not Eve's Bible helps readers explore the Old Testament regardless of religious affiliation Eve's Bible challenges conventional ideas about women in the Bible and shows readers how to draw upon their own truth to interpret the Bible in new and liberating ways With Eve's Bible as their companion readers will Recognize and read the Old Testament's literary building blocks Learn how women in the biblical era lived Learn why the biblical Deity is such a complex character Derive meaning from scripture by balancing left-brained inquiry with heart-felt intuition Become their own authority on the Bible A friendly guide that anticipates readers' questions and concerns Eve's Bible helps readers find their way through the Bible with intelligence and verve *The Song of Eve* June Strong,1987 *A Singer's Guide to the American Art Song: 1870-1980* Victoria Etnier Villamil,2004-10-05 New in Paperback 2004 Probably the most comprehensive work on the American art song ever available this book considers the lives and contributions of 144 significant composers in the field including many for whom information has been extremely scarce Most composers' entries consist of a biographical sketch a brief discussion of his or her song writing characteristics with emphasis on performers' concerns a partial or complete listing of annotated songs recording information and the composer's individual bibliography Song annotations include poet publisher date of composition when known voice type range duration tempo indication mood subject matter vocal style special difficulties general impression artists who have recorded the song and any other pertinent information Thirty composers whose contributions are deemed of lesser import are summarized in brief essays Appendixes include a supplement of recommended songs a listing of American song anthologies and their contents and the most recent information regarding publishers cited in the guide There is also a general discography a general bibliography and indexes for both titles and poets Documenting the most important 110 years in the development of American art song this book is an indispensable tool for singers teachers coaches accompanists and libraries
