A DOUBLE D WESTERN

The Guns Of Ellsworth

F.E. Howard

The Guns Of Ellsworth:

The Guns of Ellsworth Dwight Bennett Newton, **The Guns of Ellsworth** Dwight Bennett, 1973 The Guns of Ellsworth D. B. Newton, Dwight Bennett, 1973 After serving a term in prison for killing a man in a poker game Vern Balance finds himself forced to remain in the same town with the dead man's father a cattle town ripe for violence **Field Artillery Weapons of the Civil War** James C. Hazlett, Edwin Olmstead, M. Hume Parks, 2004 This is a detailed survey replete with photographs and diagrams of the field artillery used by both sides in the Civil War In paperback for the first time the book provides technical descriptions of the artillery bore weight range etc ordnance purchases and inspection reports Appendixes provide information on surviving artillery pieces and their current locations in museums and national parks The Guns of Dealey Plaza -- Weapons and the Kennedy Assassination John Craig, 2016-02-09 This study investigates the numerous sightings and sounds of weapons in and around Dealey Plaza on November 22 1963 as well as bullets and bullet fragments found in Dealey Plaza and experiments that employed 21st century technology to investigate details of the JFK assassination that were unavailable to the Warren Commission and the House Select Committee on Assassinations HSCA investigations High definition television high speed cameras and 3D laser scans that create accurate virtual worlds are some of the latest technical instruments used to dissect the nature of the shots fired in Dealey Plaza **RELEASED** J. H. ROSS, 2022-05-02 J H Ross is the brilliant new author of this fast moving novel who has found a way to make you want more of the same He has changed the concept of what was to his interpretation of what now is His book makes you see what he sees makes you feel what he feels It haunts your imagination and makes you thirst for more Keep watching for his second book called Bodies in the Warehouse II Tales from the Warehouse **Guns of the Civil War** , 2011-03-28 Featuring guns photographed by Dennis Adler from the Mike Clark Collector's Firearms Collection the Dr Joseph A Murphy Collection and the Dennis LeVett Collection with additional photography provided by the Rock Island Auction Company Archives All Things Bright and Strange James Markert, 2018-01-30 In the wake of World War I in the small Southern town of Bellhaven South Carolina the town folk believe they've found a little slice of heaven in a mysterious chapel in the woods But they soon realize that evil can come in the most beautiful of forms The people of Bellhaven have always looked to Ellsworth Newberry for guidance but after losing his wife and his future as a professional pitcher he is moments away from testing his mortality once and for all Until he finally takes notice of the changes in his town and the cardinals that have returned Upon the discovery of a small chapel deep in the Bellhaven woods healing seems to fall upon the townspeople bringing peace after several years of mourning But as they visit the healing floor more frequently the people begin to turn on one another and the unusually tolerant town becomes anything but The cracks between the natural and supernatural begin to widen and tensions rise Before the town crumbles Ellsworth must pull himself from the brink of suicide overcome his demons and face the truth of who he was born to be by leading the town into the woods to face the evil threatening Bellhaven Woodside, the North

End of Newark, N.J C. G. Hine, 2022-07-21 In Woodside the North End of Newark N J C G Hine intricately weaves a narrative that captures the rich tapestry of life in one of Newark s most vibrant neighborhoods Through a combination of personal anecdotes historical context and meticulous research Hine s prose is both evocative and informative reflecting a deep understanding of the social and cultural dynamics at play The literary style is characterized by a keen observational lens allowing readers to visualize the bustling streets of Woodside while engaging with the intricate relationships among its diverse inhabitants This work sits comfortably within the canon of urban studies literature offering insights into the socio economic transformations that have shaped Newark over the decades C G Hine is a remarkable chronicler of urban narratives drawing inspiration from his own experiences growing up in Newark His passion for documenting the intricacies of city life is informed by his academic background in sociology and anthropology which provides him with a unique perspective on the lives of individuals within their communal contexts His firsthand knowledge of Woodside imbues the text with authenticity allowing readers to connect with the stories of resilience and change This book is highly recommended for anyone interested in urban studies sociology or the intricate stories that form the pulse of American cities By immersing yourself in Hine s work you will not only gain an appreciation for Newark s cultural heritage but also be inspired by the universal themes of community and transformation that resonate throughout the narrative

English Patents of Inventions, Specifications , 1855 **GUN** Morgen Bailey, Max Booth III, Jake Cesarone, Dipankar Dasgupta, Neal James, Amie Napolis, Christopher Law, Justin Little, Jessie Masoner, Nathan Weaver, 2019-10-01 The citizens of Salem suffer more than their fair share of life s ills Murder Mayhem Jealousy Greed But when a mysterious handmade Gun shows up on the scene nothing will ever be the same For this Gun has its own moral code It will never fire to do evil only to do good As it tumbles in and out of the lives of ordinary citizens junkies clerks cops criminals unfaithful husbands they find their lives changed forever Sometimes for the better sometimes for worse Born from pain built for good The String Along project is a collaborative effort where multiple authors in locations around the globe come together to tell a singular story Sometimes not knowing where to go with a story until the previous author in rotation provides a chapter update The first in the series is called Fatal Flaws and can be found online in both paperback and digital formats

The Truth about Wyatt Earp Richard E. Erwin, 2000-03 The Truth About Wyatt Earp is the result of extensive research done by the author Richard E Erwin After retiring from his career as a Criminal Defense Lawyer he took up the task of ferreting out the truth surrounding the life and times of Wyatt Earp He presents here solid evidence based on old newspaper accounts public records documents buried in museums state and national archives and libraries and reports of other researchers to substantiate his view of what he believes to be The Truth About Wyatt Earp Did you know That Wyatt Earp was once indicted for horse stealing He was never convicted That there were four witnesses who could have testified that Tom McLaury was armed at the commencement of the O K Corral fight That both Wyatt Earp and Doc Holliday spent more than two weeks in jail in the custody of John Behan

while the hearing on the O K Corral shoot out was going on The truth comes out in this illuminating essay on one of the most fascinating characters in history *The Sergeant* Dean Calbreath,2023-02-07 From the nobility in the kingdom of Borno to being kidnapped into slavery the inspiring life story of Nicholas Said is an epic journey through the nineteenth century that takes him from Africa to the Ottoman Empire and finally from Czarist Russia to the American Civil War becoming a sergeant in one of the first African American regiments in the Union Army In the late 1830s a young Black man was born into a world of wealth and privilege in the powerful thousand year old African kingdom of Borno But instead of becoming a respected general like his fearsome father who was known as The Lion Nicolas Said s fate was to fight a very different kind of battle At the age of thirteen Said was kidnapped and sold into slavery beginning an epic journey that would take him across Africa Asia Europe and eventually the United States where he would join one of the first African American regiments in the Union Army Nicholas Said would then spend the rest of his life fighting for equality Along the way Said encountered such luminaries as Queen Victoria and Czar Nicholas I fought Civil War battles that would turn the war for the North established schools to educate newly freed Black children and served as one of the first Black voting registrars In *The Sergeant* Said s epic and largely unknown story is brought to light by globe trotting Pulitzer prize winning journalist Dean Calbreath in a meticulously researched and approachable biography Through the lens of Said s continent crossing life Calbreath examines the parallels and differences in the ways slavery was practiced from a global and religious perspective and he highlights how Said s experiences echo the discrimination segregation and violence that are still being reckoned with today There has never been a more voracious appetite for stories documenting the African American experience and *The Sergeant* s unique perspective of slavery from a global perspective will resonate with a wide audience **Mr. Lincoln Goes to War** William Marvel,2006-05-10 An account of how America s greatest crisis began by the Civil War s master historical detective Stephen W Sears author of *Chancellorsville* This groundbreaking book investigates the mystery of how the Civil War began reconsidering the big question Was it inevitable The award winning author of *Andersonville* and *Lincoln s Autocrat* vividly recreates President Abraham Lincoln s first year in office from his inauguration through the rising crisis of secession and the first several months of the war Drawing on original sources and examining previously overlooked factors he leads the reader inexorably to the conclusion that Lincoln not only missed opportunities to avoid war but actually fanned the flames and often acted unconstitutionally in prosecuting the war once it had begun With a keen eye for the telling detail on the battlefield as well as in the White House this is revisionist history at its best not sparing anyone even Abraham Lincoln A brilliant narrative that reveals the possibilities of the past that were squandered by historical figures who seem so unassailable and godlike to us today Peter S Carmichael author of *The Last Generation* The most provocative account of events in 1861 in a generation Readers who think they understand the Civil War s first year and the roles played by Abraham Lincoln Nathaniel Lyon Charles Stone and a host of others should brace themselves for a bold new perspective A Wilson Greene author of *Breaking*

the Backbone of the Rebellion Contested Loyalty Robert M. Sandow, 2018-06-05 Embroiled in the Civil War northerners wrote and spoke with frequency about the subject of loyalty The word was common in newspaper articles political pamphlets and speeches appeared on flags broadsides and prints was written into diaries and letters and the stationary they appeared on and even found its way into sermons Its ubiquity suggests that loyalty was an important concept but what did it mean to those who used it Contested Loyalty examines the significance of loyalty across fault lines of gender social class and education race and ethnicity and political or religious affiliation These differing vantage points reveal the complicated ways in which loyalties were defined prioritized acted upon and related While most of the scholarly work on Civil War Era nationalism has focused on southern identity and Confederate nationhood the essays in Contested Loyalty examine the variable fluid constructions of these concepts in the north Essays explore the limitations and incomplete nature of national loyalty and how disparate groups struggled to control its meaning The authors move beyond the narrow partisan debate over Democratic dissent to examine other challenges to and competing interpretations of national loyalty Today s leading and emerging scholars examine loyalty through the frame of politics at the state and national level the viewpoints of college educated men as well as the women they courted the attitudes of northern Protestant churches on issues of patriotism and loyalty working class men and women in military industries how employers could use the language of loyalty to take away the rights of workers and the meaning of loyalty in contexts of race and ethnicity The Union cause was a powerful ideology committing millions of citizens in the ranks and at home to a long and bloody war But loyalty to the Union cause imperfectly explains how citizens reacted to the traumas of war or the ways in which conflicting loyalties played out in everyday life The essays in this collection point us down the path of greater understanding Smothered Fires F.E. Howard, 2023-06-09 A young Confederate widow struggles with her powerful attraction to a former Union cavalryman It was difficult enough to get through the war and be taken seriously as a businesswoman now she s forced to battle her own feelings for the scarred veteran At the same time the richest man in town is using the delinquent mortgage on her small ranch to pressure her to marry him These tensions play out in a lawless town in Kansas immediately after the Civil War *Some Old Historic Landmarks of Virginia and Maryland* William H. Snowden, 1894 Reports of Cases Determined in the Supreme Court of the State of California California. Supreme Court, 1952 **The Old West in Fact and Film** Jeremy Agnew, 2012-11-15 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots A *Historic Resources Study: The Civil War Defenses of Washington, Pt. 1* , Tells the history of Civil War forts and other

defenses in the Washington DC area This study provides historical information to improve and enhance interpretation of the parks and historic resources and provides a historical framework for future preservation efforts A great deal of new information pertaining to the relationship of minorities to the Defenses of Washington was discovered The role of U S Colored Troops in construction and defense of the fortifications is better understood In addition much new information is available on the work of Freedmen and women in the Defenses of Washington Finally the association of African Americans with the former fortifications after the Civil War is better known Furthermore much information relating to the day to day construction and maintenance activity within the Defenses of Washington during the Civil War was also uncovered Teachers students historians and others interested in the American Civil War history particularly in the Washington DC area would enjoy this publication Related products American Civil War resources collection can be found here <https://bookstore.gpo.gov/catalog/us/military/history/wars/conflicts/ame>
