**The Guns of Hanging Lake** Luke Short,2016-11-01 From a master storyteller of the Old West A ferocious tale of murder loyalty and revenge set in a rough and tumble frontier town Tony Braden s first sin was being an Englishman in the American West His second was being rich enough to try and make a go of ranching Those two faults were enough to whet the appetites of the fine citizens of Indian Bend who proceeded to hornswoggle ridicule and outright rob the uncomprehending Brit for an outrageous amount of money Then someone decided to finish the deceptive dance with a knife straight to the gut No one blinked an eye when Braden died in a pool of his own blood No one that is except Traf Kinnard Braden had been like a brother to him until the man stole away the woman he loved Now she s in danger and to protect her Kinnard must find his old friend s killer even if it means turning Indian Bend from a town into a cemetery Luke Short along with such legendary authors as Zane Grey and Louis L Amour helped transform the stories of the American West from dime store pulp into a respected and immensely popular literary genre Guns of Hanging Lake is one of the grittiest and most suspenseful of his classic novels
