The Happening Leonard Kail, 2014-02-13 At a top secret defence establishment High Cross somewhere in the south west of England a security guard is abducted leaving the establishment completely cut off by a force field The computers contained within the buildings have been reprogrammed nullifying the British nuclear capability A similar event has occurred in all the worlds countrys that have a nuclear capability Mark Steel a British secret service agent with the UET is summoned to London to investigate the happening but is abducted whilst on route He is given a message to pass on to the British government that aliens intend to take over Australia for themselves The Happening Richie Singh Smartt, 2014-10-15 For centuries we have waited for a work or a novel immersed in literary comic art Peter finds his brother William is working for a dark organisation with scientists and programmers invading the human brain through manipulation of science and technology An apocalypse erupts as it all goes so terribly wrong The creatures of the night become superhuman entities as Peter strives to save his family A tale of blood gore and the most bizarre journey of terror horror and the invasion of science has just begun Who is the organisation And will Peter learn the darkest of secrets The Happening Leonard R. Hoffman, 2009-08 John has regular encounters with the supernatural like few others have experienced To John Creator God is full of wonders majesty and mystery beyond human ability to comprehend and yet can be experienced in all of His wonder through personal encounters Dr Leonard Hoffman s The Happening examines the possibilities of such an encounter and while doing so uncovers the answers to many theological issues about God and His Divine Nature that have plagued scholars for decades Through a series of visions a young people s group discovers answers to questions such as how was the cross a good experience for Jesus How does God develop His Divine Nature in believers today And how can believers today operate in Kingdom authority The Happening is a must read for all who are looking for a God who is greater than religion and desire a fresh encounter with Him When the usual religious cliches fail to answer life s struggles it is time for The Happening
