Orlowski, 2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership *Tackling Trauma* Paul A. Barker, 2019-03-14 Trauma is a universal phenomenon that can be caused by international catastrophes or individual personal tragedy Trauma is also a severely neglected topic in Christian literature and while it can challenge someone's faith in Christ God and the ministry of his Word is central to dealing with the emotional and psychological impact of trauma By his Spirit through his Word and through his church God is available to minister to people suffering from trauma and bring transformation to their lives In this book a team of experienced and informed Christian professionals from around the world promote a deep biblical response to trauma through clinical and theological wisdom and their first hand experience of witnessing and experiencing trauma The contributions provide practical responses to people's trauma rather than mere descriptions of the problems making it an ideal resource for pastors counsellors humanitarian workers and students **Faith-based Perspectives on the Provision of Community Services** United States.
