**The Miracle and the Message** John C. Preiss,2017-09-15 A century old eternally new 2017 marks the 100th anniversary of the apparitions of the Virgin Mary to three shepherd children at Fatima Portugal The message of Fatima reflects all the teachings of the Catholic faith It s a message so simple that children could understand it yet one so rich that theologians are still mining its depths In The Miracle and the Message 100 Years of Fatima author John C Preiss describes in clear detail the Blessed Mother s appearances to Lucia dos Santos and Francisco and Jacinta Marto now the Church s youngest canonized saints and shares the background sights and sounds that draw you into the events as they unfolded over the course of the twentieth century More than just a history lesson about the apparitions The Miracle and the Message shows us how to claim the message in our own lives and fully embrace what Mary offers the Church and the World Whether you know little about what happened in Fatima and want to learn more or you already have a devotion to Our Lady of the Rosary you will love The Miracle and the Message Includes eight pages of photos ABOUT THE AUTHOR John Preiss is President of the Fatima Family Apostolate International a Public Association of the Faithful founded in 1986 by the late Father Robert J Fox The mission of the Fatima Family Apostolate International is to promote the message of Fatima and the sanctification of family life *Sacred Journeys* Evelyn Foster,2025-02-27 Sacred Journeys explores the compelling phenomenon of pilgrimages and spiritual quests across cultures and eras The book examines how these religious travels profoundly impact both individuals and societies For example pilgrimages often reinforce community bonds and foster cross cultural exchange The study highlights the psychological sociological and cultural significance of sacred sites revealing the enduring human desire for spiritual connection The book unfolds in three sections starting with an introduction to the core concepts of pilgrimage and its historical roots It then delves into case studies of specific pilgrimage sites across Europe Asia and the

Americas analyzing pilgrims experiences through historical accounts and anthropological studies Finally it examines the contemporary relevance of pilgrimage including its role in interfaith dialogue and cultural heritage management One intriguing insight is how tourism and commercialization impact sacred sites suggesting ways to promote responsible pilgrimage practices Sacred Journeys uniquely combines historical analysis with contemporary perspectives studying individual and collective aspects of pilgrimages By exploring common threads and unique variations across traditions the book demonstrates the enduring power of these journeys to provide meaning purpose and transformation appealing to those interested in religious studies travel writing and spiritual exploration *American Book Publishing Record* ,2006

*Praying the Rosary* Megan McKenna,2007-12-18 Internationally acclaimed author Megan McKenna gives this Catholic tradition enriched modern relevance in a completely up to date guide to praying the Rosary designed for general readers and incorporating the recent additions made by Pope John Paul II As a speaker teacher and bestselling Catholic author Megan McKenna has informed and inspired audiences both in and outside of the Catholic tradition with her warmhearted contemporary approach to spirituality Now she turns her attention to the Rosary revealing the universality of this ancient practice and how it can enrich lives today Praying the Rosary the act of counting off prayers with a string of beads in a rhythm of focused spiritual contemplation is a practice that has existed for centuries and is common to many faiths For the world s one billion Catholics it has become the most popular form of devotion Though strongly associated with the Virgin Mary the prayers of the Rosary are ultimately meant to bring those who say them closer to Jesus Christ whose life and teachings are central to all branches of the Christian faith This gives the Rosary an ecumenical dimension that is in sync with today s emphasis on the common bonds rather than the divisions among all Christians In 2002 Pope John Paul II updated the Rosary by adding a new section on the teachings of Jesus further emphasizing the centrality of Christ and the biblical Gospels at the heart of the prayers Embracing this ecumenical attitude in *Praying the Rosary* Megan McKenna explores the Rosary and explains how to pray it incorporating the Pope s recent additions and revealing its relevance to a new generation She breaks down the Rosary into its twenty components prefacing each with a selection from Scripture that identifies the prayer s source in the Bible Combining practical instruction with meditative reflections on the prayer s spirituality she reveals the Rosary s richly contemplative nature and shows how praying the Rosary can inspire peaceful calm attitudes and an awareness of the universal spiritual mystery that connects all Christians
