The Gulf War How It Hit Home:

The Gulf War Betty Ash,2000-12 **Needless Deaths in the Gulf War** ,1991 Based on interviews conducted during the war with those who fled bombing as well as subsequent research and analysis this challenges the report of allied commanders that they took every feasible step to avoid civilian death and injury It also examines Iraqi attacks on Israel and Saudi Arabia **Slow Violence and the Environmentalism of the Poor** Rob Nixon,2011-06-14 Groundbreaking in its call to reconsider our approach to the slow rhythm of time in the very concrete realms of environmental health and social justice World Literature Today The violence wrought by climate change toxic drift deforestation oil spills and the environmental aftermath of war takes place gradually and often invisibly Using the innovative concept of slow violence to describe these threats Rob Nixon focuses on the inattention we have paid to the attritional lethality of many environmental crises in contrast with the sensational spectacle driven messaging that impels public activism today Slow violence because it is so readily ignored by a hard charging capitalism exacerbates the vulnerability of ecosystems and of people who are poor disempowered and often involuntarily displaced while fueling social conflicts that arise from desperation as life sustaining conditions erode In a book of extraordinary scope Nixon examines a cluster of writer activists affiliated with the environmentalism of the poor in the global South By approaching environmental justice literature from this transnational perspective he exposes the limitations of the national and local frames that dominate environmental writing And by skillfully illuminating the strategies these writer activists deploy to give dramatic visibility to environmental emergencies Nixon invites his readers to engage with some of the most pressing challenges of our time *Public Papers of the Presidents of the United States: George Bush, 1991* Bush, George,1992-01-01 Public Papers of the Presidents of the United States Public Papers of the Presidents of the United States United States. President,1992 Containing the public messages speeches and statements of the President 1956 1992 **Bugsplat** Bruce Cronin,2018-03-07 Why do states who are committed to the principle of civilian immunity and the protection of non combatants end up killing and injuring large numbers of civilians during their military operations Bugsplat explains this paradox through an in depth examination of five conflicts fought by Western powers since 1989 **George Bush** United States. President (1989-1993 : Bush),1992 *Project Day Lily* Garth L. Nicolson Ph.D.,Nancy L. N,2005-09-01 The Project Day Lily story chronicles the events surrounding what the public knows as Gulf War Syndrome To this day the public perception of that tragedy is very limited but now there are over 150 000 veterans of that conflict that suffer from chronic illnesses and tens of thousands have died without acknowledgment or proper assistance to keep secret the origin of their illnesses Project Day Lily tells the story of the discovery that men and women of our Armed Forces were actually exposed to chemical and biological mixtures from missiles and sprayers during the Gulf War that were supplied in part by a sinister network using a group of rogue bureaucrats intelligence operatives and scientists They were also exposed to contaminants in the multiple vaccines given during deployment Project Day Lily presents the story of how one of these

biological agents was found by two American scientists in veterans of the Gulf War and in civilians as part of a massive testing program and how various academic and governmental employees did everything in their power to prevent this information from being released to the American public Armor ,1992 **Army Reserve Magazine** ,2000 **Fire on the Rim** William H. Thornton,2002 *Fire on the Rim* combines an idealist s call for social justice cultural difference and environmental sustainability with a realist s recognition of the continuing need for balance of power security relations around the Pacific Rim Although this melding of idealist and realist elements is sure to meet opposition on the Right and Left alike the author s call for moral realism is a vital step toward an Asia policy fit for the twenty first century Visit our website for sample chapters **Web of Deceit** Barry Lando,2010-08-27 An investigative history of Western complicity in Saddam Hussein s crimes reveals the story his trial never will In February 1991 the Shia of southern Iraq rose against Saddam Hussein Barry M Lando a former investigative producer for 60 Minutes argues compellingly that this ill fated uprising represents one instance among many of Western complicity in Saddam Hussein s crimes against humanity The Shia were responding to the call for rebellion from President George H W Bush that was broadcast repeatedly across Iraq by clandestine CIA stations But just as the revolution was on the brink of success the United States and its allies turned their backs In the end tens of thousands were massacred Because of restrictions imposed by the Special Tribunal prosecuting Saddam Hussein the extensive role of the U S and its allies in his crimes will never be explored at his trial But as *Web of Deceit* demonstrates the nations that now denounce Saddam most prominently secretly backed the dictator from his rise to power in the 1960s and 70s to his offensives in Iran and despite warnings took no action to stop his invasion of Kuwait They also turned their backs when he used chemical weapons against the Iraqi people and persisted in international sanctions long after they had proved ineffective and for hundreds of thousands of Iraqi civilians lethal *Web of Deceit* draws on a wide range of journalism and scholarship to present a complete picture of what really happened in Iraq under Saddam detailing for the first time the complicity of the West in its full and alarming extent **Weekly Compilation of Presidential Documents** ,1991 *Peace at What Price?* Sarah E. Croco,2015-03-26 *Peace at What Price* explains why some leaders voluntarily stay in wartime quagmires by introducing the theoretical concept of leader culpability Sarah E Croco includes analyses on wars from 1816 to 2007 several case illustrations and a discussion of the American experience in the wars in Iraq and Afghanistan Prophets Without Honor William Strabala,Michael Palecek,2002 Radical priests laid it on the line challenging government corporations and the Church Some were jailed some were killed Personal accounts tell why they had to do it and why governments and the Church fought so hard to stop them The book tells the story of a group of American men who happen to be priests and who happen to have served decades in American prisons and the stalwart women who helped them form an international movement called Plowshares In so doing the book tells the morally patriotic story of America a story told before only from behind an open hand across the face like a football coach talking to his spotters in full view of a
