The Hamlet Murders:

The Hamlet Murders David Rotenberg, 2011-01-22 It's summer in Shanghai. The city's 18 million residents continue their hurtling progress toward modernisation. Three men carrying blueprints appear outside homicide detective Zhong Fong's apartment; his building is being redeveloped and he may soon have nowhere to live. Fong is jolted from these worries by a midnight phone call from the Shanghai Theatre Company. His old rival has been found dead hanging from a rope at the centre of the stage in an apparent suicide. But from the moment Fong sees the crime scene, his instincts tell him two things: First, this was no suicide. Second, the search for the killer will lead him to dark places and unwanted revelations. Superb. The New Brunswick Reader. Rotenberg has a real talent for characterisation and place, taking readers right into the urban heart of Shanghai. The Globe Mail. This delightful series gets better with each new novel. The Halifax Chronicle Herald. Hamlet Marvin W. Hunt, 2025-01-23 A companion to volume 1. Hamlet Shakespeare: The Critical Tradition. Volume 2 presents key critical accounts of Hamlet from 1885-1964. The volume offers in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play. The volume features criticism from leading literary figures such as Sigmund Freud, T. S. Eliot, A. C. Bradley, Helena Faucit Saville, and Matthew Arnold. The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue, whereas the introduction offers a critical evaluation from a current stance, including modern theories and methods. The volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century.

The host, his guests, and an assortment of unusual police detectives struggle to find the murderer during this long, hot summer.

Literally Murder Ali Brandon, 2014

When a viral internet cat video gets them invited to the championship cat show in Fort Lauderdale, Florida, Darla and her black cat Hamlet must keep a killer on a tight leash while trying to win Best in Show.

The Mass Comm Murders Arthur Asa Berger, 2002

The Mass Comm Murders is a novel way, both literally and figuratively, to introduce students to mass communication theory. Berger's latest comic murder mystery again features Inspector Solomon Hunter and his sidekick Sergeant Talcott Weams in the search for who is snuffing out a group of media theorists, though only after each in turn explains his or her theory of mass communications. Highlighting theories from semiotics to the spiral of silence, Berger combines theoretical discussion with a satire of academia and a parody of the mystery genre, complete with eccentric professors and international intrigue. This fun and accessible text is an ideal supplement for courses in mass communication and communication theory.

Murder Most Foul Arelo C. Sederberg, 2001. Murder Most Foul is a literary study aimed at a general audience that links and compares

several great works of world literature to themes of violence and suffering Included are Shakespeare s Hamlet Homer s Iliad and Odyssey Herman Melville s Moby Dick and several works of the great Greek tragedians Aeschylus Sophocles and Euripides The gods of Greek mythology led by the great god Zeus were instrumental in causing the pain and strife The author makes the point that death and destruction war and violence assert themselves everywhere in great works and thus draws a conclusion that it is part and parcel of existence in all eras of mankind The title is taken from Hamlet words spoken to Hamlet by the ghost of his murdered father *Murder Most Foul* David Bevington,2011-06-23 David Bevington demonstrates that the staging criticism and editing of Hamlet go hand in hand over the centuries to such a remarkable extent that the history of Hamlet can be seen as a kind of paradigm for the cultural history of the English speaking world
