

T.C. GREENE

THE HEADMASTER'S WIFE

"Greene's haunting tale tracks the unravelling of a marriage. It starts eerily, with a naked man's arrest... then twists back in time through love, grief, betrayal and love again."

Bamford, 1967 **The Rise of the English Prep School** Donald Leinster-Mackay, 2021-12-16 First published in 1984 *The Rise of the English Prep School* was written to provide the first general history of the English Preparatory School The book examines how two types of English schools with largely different beginnings one based on private enterprise and one primarily but by no means exclusively on philanthropy came to be complementary parts of the English Public School system It explores the early beginnings of prep or quasi prep schools in the eighteenth century and their development in the nineteenth and twentieth centuries *The Rise of the English Prep School* will appeal to those with an interest in the history of education and British social history *The Riverside Dance Studio* Nicole Ellis, 2023-06-16 A new year a new life or is it just a new set of problems Sam is ready to move past everything she's lost over the past six months Ringing in the New Year with her co-workers at Bayside Prep is a great way to start Or rather it would be if her job and living situation weren't temporary The new life she's carefully built is about to crumble around her Is she ready for another big change A long distance marriage wasn't in Libby's version of happily ever after but she's making the best of it and keeping all the plates spinning in the air same as she's always done Except between parenting their four kids her job at the catering company and her family's

upcoming move she's beyond exhausted. Something has to give. Everyone thinks Jessa is in Willa Bay to visit her brother Shawn and meet her grandmother Celia for the first time. But a simple vacation and family reunion isn't the only reason she's on leave from the army. Andrew has spent the last few years focused on his role as Assistant Headmaster at Bayside Prep. He excels at his role, but it's come at a cost to his family relationships and his nonexistent personal life. If he continues on this way, his future may not be as bright as he's hoped. Debbie is thrilled and terrified that it's almost time for the fundraiser she's been planning since last summer. With much of her attention on the event, she's finding it difficult to support her daughters as they work through the issues in their own lives. Can she pull off a successful fundraiser and still make time for her family? It's a fresh start for everyone in Willa Bay, but how will they overcome the uncertainties and challenges that life has thrown in their paths?
