The Towers The Fields The Transmitters

David Keenan, 2020-10-29

A businessman experiences a breakdown when he arrives in the town of St Andrews on the east coast of Scotland in order to audit a military air base Obsessed by his estranged daughter who he believes is walking the streets at night the unnamed businessman starts to look to art and ritual in order to redeem this new reality even as time itself appears out of joint as old WWII fighters appear in the skies and his twin brother his double or personal daemon wreaks havoc in his name The Towers The Fields The Transmitters is a magical novel that channels the surreal paranoia of Kafka Burroughs Bola o and Philip K Dick while asking big questions about the nature of art its ability to re frame reality and its moral culpability in aestheticizing suffering and despair Written in a high octane style and with a visionary sleight of hand that digs deep textual tunnels between Xstabeth and itself The Towers The Fields The Transmitters is the next stage in Keenan's radical re thinking of the possibilities of the modern novel

Play, Rewind John Vurro, 2025-04-29

Wes is stuck He should be spending his twenties finishing the schooling that will help him land a career in movies just like he's always dreamed about Instead he divides his time between clerking in the most low rent video store in Queens and caring for a mom struggling with Alzheimer's His father's out of the picture and he has no realistic means of finding care for her beyond the harried home nurse who's already on the brink of quitting but even though he's sure his mother won't even remember his efforts he's still committed to her Still he doesn't have much to do outside life's boring routines except pressing Play and Rewind to try and identify the moments when it all went wrong And maybe watching the random vacation video that some customer left at the store to be copied Then change A friend from high school returns to the neighborhood after a mysterious absence and a disreputable man from the neighborhood takes over the store He may or may not be mobbed up Who can say really It's not the sort of thing you ask your new boss And he finds out his father may be closer than he thinks In short order Wes's life's starting to look different Whether that's a good or a bad thing is tough to say the store's new owner wants to make easy money selling bootleg videos out front and we all know the FBI frowns on that sort of thing the high school friend may be too

eager to make amends and to hide the secrets of her own past mistakes but still it's something Now Wes has to navigate feelings far more frightening than stasis and find a way forward despite everything pulling him back Play Rewind is a lovely literary look at a place near and dear to our hearts one we all might want to visit if we had a time machine the video store And it sends us to another vanished place peaceful and innocent pre 9 11 New York More importantly it's a great glimpse into lives we can all relate to people struggling against impossible odds unsure if anything will ever change It's a fantastic debut novel from an amazing new author John Vurro I loved it so much that after I read it I wanted to rewind back to the beginning and read it again Vurro's is a bold and brilliant new literary voice This beautiful novel moved me deeply Alena Graedon author of The Word Exchange

Up from the Abyss Italo Savella, 2005-07 I assure you though there is nothing trite about coming down with Guillain Barré syndrome For the person hit by it it's war and revolution wrapped in one A catastrophe an upheaval a devastating blow But also an invaluable experience and a possibility for renewal I wouldn't be what I am now a man at peace with himself and the world had I not come down with and fought back from this terrible ailment But I don't want to sound excessive It isn't terminal cancer at young age or trauma induced coma and vegetative state but as Joseph Heller said it's no laughing matter either The blessing about Guillain Barré syndrome and I mean that with only a little bit of irony is that it doesn't affect the gray matter upstairs You know it's bad but you also know it can be defeated and the struggle to overcome it lends a tremendous meaning of truthfulness to the old saying That which does not kill you You know the rest It can paralyze you completely and occasionally do you in but the road back or as I imply in my title the uphill struggle from the abyss is Herculean and character forming
