UBS WetFeet (Firm),2009 Killer Investment Banking Resumes! WetFeet (Firm),2008 Careers in Investment Banking WetFeet (Firm),2008 A Practical Guide to Financial Services Lien Luu,Jonquil Lowe,Patrick Ring,Amandeep Sahota,2021-12-26 Financial services are an ever increasing part of the infrastructure of everyday life From banking to credit insurance to investment and mortgages to advice we all consume financial services and many millions globally work in the sector Moreover the way we consume them is changing with the growing dominance of fintech and Big Data Yet the part of financial services that we engage with as consumers is just the tip of a vast network of markets institutions and regulators and fraudsters too Many books about financial services are designed to serve corporate finance education focusing on capital structures maximising shareholder value regulatory compliance and other business oriented topics A Practical Guide to Financial Services Knowledge Opportunities and Inclusion is different it swings the perspective towards the end user the customer the essential but often overlooked participant without whom retail financial services markets would not exist While still introducing all the key areas of financial services it explores how the sector serves or sometimes fails to serve consumers why consumers need protection in some areas and what form that protection takes and how consumers can best navigate the risks and uncertainties that are inherent in financial products and services For consumers a greater understanding of how the financial system works is a prerequisite of ensuring that the system works for their benefit For students of financial services those aspiring to or those already working in the sector understanding the consumer perspective is an essential part of becoming an effective holistically informed and ethical member of the financial services community A Practical Guide to Financial Services Knowledge Opportunities and Inclusion will equip you for both these roles The editors and authors of A Practical Guide to Financial Services Knowledge Opportunities and Inclusion combine a wealth of financial services educational and consumer oriented practitioner experience

Banking Beyond Banks and Money Paolo Tasca,Tomaso Aste,Loriana Pelizzon,Nicolas Perony,2016-09-01 Do you know how banking and money will look like in the new digital age This book collects the voices of leading scholars entrepreneurs policy makers and consultants who through their expertise and keen analytical skills are best positioned to picture from various angles the ongoing technological revolution in banking

and finance You will learn how lending and borrowing can exist without banks how new forms of money can compete to better serve different society needs how new technologies are banking the unbanked communities in the poorest parts of the world and how ideas and small projects can be financed by the crowds without the need to rely upon banks You will learn how in the new digital age we will interact with new self organised and autonomous companies that operate without any human involvement based on a set of programmed and incorruptible rules You will learn that new business models will emerge thanks to technology enabled platforms upon which one can build new forms of non hierarchical cooperation between strangers And you will also learn that new forms of risks and threats are emerging that will destabilise our systems and jeopardise the stability of our financial order
