Small Comforts:

Give Linda Harper, Ph.D., 2013-03-13 Daily life continually asks us to make choices about how to give whether it is our attention time energy talents love or even money to others and to ourselves Often we juggle our attempts to meet our own needs and the demands of others So the decisions we make about what when and how much to give strongly impact the quality of our everyday lives These choices can cause us stress turmoil guilt exhaustion and depletion or they can bring us immeasurable joy peace of mind and fulfillment So what is the key to giving that energizes and fulfills us rather than exhausts and depletes us Linda R Harper's simple five step guide will help you rediscover the joy in everyday giving using one question What are my heart's true desires at this very moment Give is not about giving more or giving less It is about giving from your deepest self and trusting the natural wisdom of your heart's desires As you become the giver you were meant to be you will deepen the meaning of your life through soulful ordinary acts of giving both to yourself and to others

She recounts the struggle of an undocumented immigrant while also dealing with high school young adulthood and eventually having her own children Keyla's story adds the voice of an undocumented immigrant to the conversation demonstrating that the hardships expended in achieving one's American Dream are what unite all those striving for a better life regardless of where they were born or how they got here Anniversary Discourse, Before the New York Academy of Medicine Ferdinand Campbell Stewart, 1853 Whispers from the Past: 50 Astonishing Reincarnation Stories Robert J Dornan, 2025-02-09 Across cultures and generations countless people have reported memories of lives they could not have possibly lived Whispers from the Past 50 Astonishing Reincarnation Stories explores some of the most chilling and thought provoking cases of past life recall where children and adults alike reveal extraordinary details of people places and events from another time From the astonishing case of Shanti Devi who reunited with a past life family to a young boy who remembered serving as a World War
