## **Small Matter Of Getting There:**

Carnival Peter McPhee, 2009-11-08 A collection of poetry prose and short fiction by authors both famous and up and coming who performed at during the first three years of the famed Toronto literary festival     **A Matter of Small Matters** Gorur Govinda Raju, 2012-11-07 India in 1939 was not a free state Under British rule young Indian men feared they would be forced to fight in the recently declared war on Germany Shastri is one of these young men Already incarcerated by the age of fifteen however Shastri turns down political opportunities in order to suffer with his people as a freedom fighter and suffer he did It is several years before India is declared a free state in 1947 By then Vedanta is born Vedanta forms a friendship with the wise and learned Shastri and soon Vedanta becomes Shastri s adopted son accepting instruction from this respected elder Together they must navigate a newly free India where the rules have changed and politics are as complicated as ever Over a forty year span the life of Shastri pours into that of Vedanta Through love of God and of women both men seek peace and enlightenment Although theirs is a story of India the struggles of elder Shastri and young Vedanta are universal They too seek to find the meaning of life the strength to face challenges and the power to trust in spite of impossible odds     *Small Matters* Greg Nettle, Santiago Heriberto Mellado, 2016-04-12 Children have always been close to Jesus heart As his followers it s our responsibility to protect nurture and pass our faith to children In *Small Matters Why Children Are Such a Big Deal* authors Greg Nettle and Jimmy Mellado offer a model of discipleship that encourages parents to raise up the next generation to be deeply committed to and in love with Jesus Ministry pioneer D L Moody once said that if he could relive his life he would devote his entire ministry to reaching children for God What Moody understood was that by investing in them the potential for effective change in a child s life is huge When we awaken to the fact that children between the ages of four and fourteen are the most likely to make a decision to follow Jesus and that the discipleship that children receive forms their future it may give you an idea of the importance of ministering the young Greg and Jimmy challenge the typical church models of youth discipleship and offer ways to shift into a more effective and more biblical method that begins by empowering parents in their homes and works outward Discipling children in the home Discipling children in the church Discipling children in the community Now more than ever churches have to invest in the cause of children through advocacy sponsorship and children s ministries all of which need to be committed to holistic child development *Small Matters* will transform the way we view children invest in them reach out to them teach them and ultimately empower them to be disciples of Jesus This is a book about small matters which are really large matters God has used the small things of this world to do his work and he continues to do this today In Jesus kingdom the first are last and the least are the greatest the servants are the heroes and the small are the biggest winners of all John Ortberg author and pastor     **Small Matters** Mona Gleason, 2013 An innovative study of the struggle for healthy children in early twentieth century Canada     *No Small Matter* Anat Helman, 2021 Visiting five continents and covering 220 years our journey into modern Jewish childhood begins

with birth and ends at the time of bar or bat mitzvah Jewish children their history and their images are described by scholars from the fields of demography history linguistics film studies literature religious studies and psychology Among the questions they probe are How did Jewish children experience immigration What did they contribute to modern ethnic and national Jewish cultures What was their fate during times of war In the aftermath of war how did they go about rebuilding their lives and how did they recollect and interpret the events of their interrupted childhood
