Small Works:

Small Works John A. Donaldson, 2011-08-15 How can policymakers effectively reduce poverty Most mainstream economists advocate promoting economic growth on the grounds that it generally reduces poverty while bringing other economic benefits However this dominant hypothesis offers few alternatives for economies that are unable to grow or in places where economic growth fails to reduce or actually exacerbates poverty In Small Works John A Donaldson draws on his extensive fieldwork in two Chinese provinces Yunnan and Guizhou that are exceptions to the purported relationship between economic growth and poverty reduction In Yunnan an outward oriented developmental state one that focuses on large scale urban development has largely failed to reduce poverty even though it succeeded in stimulating economic growth Provincial policy shaped roads tourism and mining in ways that often precluded participation by poor people By contrast Guizhou is a micro oriented state one that promotes small scale low skill economic opportunities and so reduces poverty despite slow economic growth It is no coincidence that this Guizhou approach parallels the ideas encapsulated in the scientific development view of China s current president Hu Jintao After all Hu when Guizhou s leader helped establish the micro oriented state in the province Donaldson s conclusions have implications for our understanding of development and poverty reduction economic change in China and the thinking behind China s policy decisions The Procurement and Management of Small Works and Minor Maintenance Jeremy Headley, Alan Griffith, 2014-02-25 Many client organisations occupy large and often diverse property estates which require significant expenditure on maintenance alterations refurbishment or small scale new building work Effective organisation and efficient allocation of resources are essential to ensure that the works are carried out successfully This book provides a detailed introduction to small works procurement and management within the large client organisation a significant sector of the construction industry which has hitherto been neglected by researchers In the large organisational context characterised by large property holdings perhaps over wide geographic areas the importance of ensuring maximum efficiency of resource use is crucial If the regular and numerous work which is required throughout the year is not carried out in line with organisational goals then the core business will suffer The book focuses on the suitability efficiency and effectiveness of procurement organisation and management of small works and outlines the main stages in the formulation and implementation of well defined and measurable objectives Overall it will enable the reader to understand the decision factors involved in designing a small works procurement strategy The Procurement and Management of Small Works and Minor Maintenance is an indispensable reference for all facilities managers consultants and contractors It is also useful reading for undergraduate and postgraduate courses in building construction management maintenance and facilities management **Small States in World Politics** Jeanne A. K. Hey, 2003 Offering empirical richness within a consistent theoretical framework this work provides a comprehensive examination of small state foreign policy **LAXTON'S BUILDING PRICE BOOK 2007** V B Johnson, 2006-10-16 Now in its 179th edition Laxton s has

become a firm favourite in the UK Building Industry With more prices and more in depth build ups Laxton s offers more practical and complete information than any other price book available This new edition takes into account major price variations that stem frm raw material costs in the last few months Higher fuel costs have impacted on prices across the board in particular costs of non ferrous metals in increased Copper sheet and pipe show prince increases of well above 50% in the last year while zinc lead and aluminium prices have also risen significantly There are savings in plaster and drainage goods prices are down All the prices in Laxton s are based on the new 3 year Construction Industry Joint council wage rate agreement that came into force at the end of June 2006 Saving you time comprehensive basic price and approximate estimating sections make putting together outline costings quicker and easier Saving you effort all the information you need on each measured item is clearly set out on a single page with a full break down of costs Saving you money all 250 000 prices are individually checked and updated to make sure that your tender costs are precise *Luminous Lives* Cyrus Stearns,2002 In this seminal work of Tibetan Buddhist studies Cyrus Stearns has translated a text recounting the masters in the transmission line of the Lam bras or Path with the Result teachings in Tibet *Luminous Lives* contains a detailed description of the Lam bras teachings and the text of the masters biographies in English and Tibetan This book is an essential reference work for those interested in the Sakyapa tradition of Tibetan Buddhism
