Dear Charlie Rianna Shaikh,2015-10-27 Dear Charlie was what was written on plain paper in ink stain bouts Oh why would a friend leave without a goodbye his mind ached aloud Where the waves crashed no more and over the walls of a mansion vines grew and rabbits skittered on acres of green Charlie became ill and all he knew was the words the walls caterwauled Clocks ticking Marco skipping Hayley scampered far away his family was there to help him through his bitter blue dingy lonely days Oh what a rigmarole is this sort of a tale **Charlie's Wives** Simon Luckhurst,2016-07-20 Norfolk Virginia 1864 Charlie Brewster arrives to recruit African American soldiers for the Union He is recently returned from three years of service and though he s physically uninjured his psychological battle scars run deep He survived the war can he survive the peace Tensie Stevens husband is at the front She cannot read or write and wants to send him letters so Charlie offers to put her words on paper She has never known a white man show this much kindness As a former slave she is scarred too although some of hers are physical She helps him recruit other soldiers and he writes letters for their wives as well So near to the world of war and men he starts to learn about intimacy and women *Smiling Charlie* Max Brand,1980

is perfect for fans of Stranger Things and Scary Stories to Tell in the Dark even if they don't have any special powers Charlie Greer is nothing special at least not compared to her adopted siblings Her younger sister is a ghost Her brother Mateo is a werewolf Gideon is the product of seriously sketchy experiments that gave him telekinetic powers Even her parents work for the Division of Extranormal Investigations tracking down all things supernatural alien and otherwise unusual Charlie's mom says her superpower is maturity which doesn't really count But what Charlie lacks in powers she makes up for by keeping the household running Now with her parents off on their first vacation in years it's up to her to take care of her siblings and make sure nothing disrupts the trip But then the new neighbors arrive The Weavers are a nice normal couple Too nice and too normal And for some reason they don't seem to want Charlie to see inside their house She's certain they're hiding something Charlie has to uncover what's going on with the Weavers and stop their plans without letting Mom and Dad find out anything is wrong

The Elle Harrison Collection Merry Jones,2019-12-10 This three book collection delivers laugh out loud moments but at its core is deadly darkness Elle Harrison a fourth grade teacher has had a life without adversity until her husband s infidelity and other much worse catastrophes disrupts her world In *The Trouble with Charlie* Elle s soon to be ex husband has been stabbed to death she wonders whether she could have done it in one of those foggy moments her friends call pulling an Elle When she goes off with her girlfriends to a cosmetic surgery retreat in *Elective Procedures* she seems to be a magnet for unexplained deaths And in *Child s Play* on the first day of school Elle finds the principle in her school murdered and a second teacher dead not long after Constant among these three separate seemingly unrelated yet intricately tied stories is Elle s charm her indomitable spirit and the huge support she gets from her friends As they all grapple with their problems they come to believe that Elle has a dissociative disorder that obscures her reality The *Elle Harrison* stories open some dark doors each one darker than the other as the vulnerable Elle challenges her deepest convictions about guilt and innocence childhood and family Pushed to her limits she s forced to face her fears and apply all her skills in a deadly fight to save her sanity and her life *Stitched Together* Bob Thompson,2019-10-15 When Bob Thompson asked his granny years ago why she continued to create so many of her beautiful quilts she said it was the only way she could reach across time touching and giving her descendants her energy And just like his granny Thompson s gift of storytelling provides a reverence and buoyancy all its own This collection combines personal and family experiences to create a patchwork quilt of gripping stories with the comfort of memory Thompson draws on his mother s seventy years of diaries handwritten notes and recipe cards to

reveal that every story no matter how small has some wisdom to impart He describes how as a child he would pass his days on the front porch of his granny s country store in western Kentucky and listen to regulars swap stories and spin yarns which cemented his passion for storytelling His granny s methods of quilting provide an interesting perspective on life She never hurried her stitches were small and even Fascinated with numbers I counted as many as eight hundred per square and did the math sixteen thousand for a twin bed sized quilt When I mentioned that some of Great Grandmother Brim s quilts had stitches so large that you could get your big toe caught in them Granny smiled and said It s not the size of the stitches that count it s the spaces between them Thompson s poignant narratives of community friends and family impart the significance of the quiet moments and meaningful spaces between everyday events In doing so they demonstrate that there is something to be gained from every human experience
