Smith Webon Sixguns Of The Old West:

Guns of the Old West Charles Edward Chapel, 2012-05-24 DVD Dramatic story of shoulder arms hand guns and other weapons also describes the men who used them Detailed descriptions and illustrations of the Kentucky and Sharps rifle Colt revolver and much more 499 black and white illustrations div **Smith & Wesson** David R. Chicoine, 2004-01-01 Whether your interest in in martially marked examples or the colorful guns that won the West this is the book for you Both collectors and shooters will agree that the level of close up photographs showing the very markings and features that are discussed in the text This is the kind of hands on useful guide that will be your constant resource a true standard reference on all aspects of these fascinating sixguns No one with an interest in historical firearms can afford to be without it This is the story of the revolvers that made Smith a complete mechanical description comprehensive identification guides illustrations of all the parts instructions for disassembly reassembly and maintenance extensive hints for shooting and reloading instructions for gunsmithing and repair ammunition specifications **Guns of the American West** Dennis Adler, 2015-11-10 Dennis Adler award winning author and photographer and contributing editor to Guns of the Old West magazine has woven together enthralling tales of the guns and gunmen who made the Wild West wild Beginning with the early western expansion and the California Gold Rush Guns of the American West takes you through the development of America s most legendary handguns rifles and shotguns and the roles they played in our nation s history As the Civil War erupts the author follows the politics of a country divided and how North and South chose to arm their soldiers In the aftermath of this great conflagration Adler takes you step by step through the evolution of loose powder cap and ball revolvers rifles and shotguns to the conversion to self contained metallic cartridges and the sweeping changes that resulted in firearms design With a nation intent on its belief in Manifest Destiny the author follows legendary lawmen soldiers and outlaws as America moves west in the 1870s and 1880s Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home *A Legacy in Arms* Richard C. Rattenbury, 2014-10-22 The history of American firearms is inseparable from the history of the United States for firearms have played crucial roles in the nation s founding westward expansion and industrial economic and cultural development This history unfolds in compelling words and images in *A Legacy in Arms* a volume that draws upon the collections of the National Cowboy Western Heritage Museum in Oklahoma City to trace the business and art of gun making from the early national period to the turn of the twentieth century With more than 200 images almost all in full color *A Legacy in Arms* not only

documents the inspiration and innovation of arms makers from individual artisans to mass producers but also describes the development of decorative expression in the gun maker's art. In an account both entertaining and enlightening, Richard C. Rattenbury details the development of commercial arms making from the genesis of the Kentucky rifle to the arms of such iconic manufacturers as Colt, Remington, Smith & Wesson, Sharps, Marlin, and Winchester. Into this narrative he weaves the particulars of design evolution and the impact of mass production via the American System. The accompanying photographs and illustrations stand as eloquent testimony to the range and richness of the gun maker's craft and its rightful place in the story of American industry and culture.

Famous Firearms of the Old West Hal Herring, 2011-09-01 From Buffalo Bill to Wild Bill and from Chief Joseph to Geronimo, the most famous guns in the West and the history behind them. More than a few of the actual guns once in the hands of the heroes and villains of America's Old West still exist, housed in a dozen museums across the country. From the Model 1866 .44-40 that Chief Joseph famously surrendered to General Miles to Wild Bill Hickok's Colt Model 1851 revolvers from Buffalo Bill's .50 caliber breechloading needlegun nicknamed Lucrezia Borgia to John Wesley Hardin's 1860 model .44 S&W revolvers, *Famous Firearms of the Old West* follows the life stories of a dozen actual pistols, rifles, and shotguns instrumental in shaping America's history, using them as entries into the lives of the shooters themselves. This is a vivid portrait of famous Western characters paired with the guns they used to make themselves famous or, as the case may be, infamous. It is a must for anyone interested in the history and lore of the Wild West, gun hobbyists, and tourists seeking a museum experience with a difference.

Sixguns Elmer Keith, In this comprehensive guide, renowned firearms expert Elmer Keith shares his vast knowledge and experience with sixguns, covering everything from their history and development to their practical applications in hunting, self-defense, and target shooting. With detailed information on various models, ammunition, and shooting techniques, *Sixguns* is an essential resource for both novice and experienced shooters alike. Whether you're a collector, a hunter, or simply a firearms enthusiast, this book will deepen your understanding and appreciation of these iconic weapons.

The Archaeology of the Logging Industry John G. Franzen, 2020-08-18 In this book, John Franzen surveys archaeological studies of logging sites across the nation from the nineteenth and twentieth centuries, explaining how material evidence found at these locations illustrates key aspects of the American experience during this era.

The Texas Gun Trade Chris Hirsch, 2008 This new book from Mowbray Publishers is the result of the author's almost 20 years of research. It attempts to shed light on the extent of the gun trade in Texas during its early times. Though the military connection is touched upon in this book, the civilian gun trade is the main objective. Many of the old established gun dealers in Texas became quite successful, while others came and went. Each major city seemed to have one gun dealer that stood above all others. Included in this extensive directory of over 1,200 dealers and makers are the Dance Brothers of Anderson, the Erichson family of Houston, E. A. Worden of Dallas, Charles Hummel of San Antonio, J. C. Petmecky of Austin, A. J. Anderson of Fort Worth, and countless other dealers and tradesmen, many of whom could have books dedicated to

them alone More than 1 200 listings and over 700 black white photographs 8 5x11 and printed on heavy coated paper

Sea of Tranquility Lesley Choyce,2003-04-01 For Sylvie Ragged Island and the whales who swam around it is the only world she has ever known It is the place where she was born and raised where she lived with her four late husbands and where she plans to live out her remaining years It is also the home to a community whose love for the island is immense But when the Nova Scotia government decides to shut down the ferry service that is the lifeblood of Ragged Island the residents see their world beginning to disappear *Sea of Tranquility* is the lyrical and moving story of an island struggling to survive Lesley Choyce s seventh novel it contains the elements for which the author is known engaging characters page turning storyline and uproarious humour Choyce is in top form **The Wild West of Louis L'Amour** Tim Champlin,2015-08-05 The Wild West of Louis L Amour is a richly illustrated book commemorating the landscapes characters and violent times L Amour portrayed
