Snakes In The Henhouse:

Mama Virgie Lorene Eames,2010-08-10 **Patches of My Life** Kenneth D. Fly,2014-04-08 Kenneth Fly went from town living to the life of a farm boy during the 1940s 1950s and early 1960s It was a life of hard work without luxury Instead of watching television and playing video games he grew up working in the fields of North Carolina handling firearms operating machinery and participating in other activities and tasks that are foreign to the youngsters youth and even men of today In this series of personal narratives and anecdotes Fly recalls those days with detail and humor Life wasn't always easy but his mother did whatever was necessary to make a good home and loving environment for her family His dad was a hardworking master carpenter whose behavior showed anyone watching that life is about morals hard work and self respect The Fly family is special because they so rarely complained and always managed to stay happy For them life wasn't fancy but relying on common sense and each other made it sweet *Not Your Ordinary Snake Stories* Jim Pepper,2011-09-07 I recently discovered something very interesting Everyone you chance to meet has a true snake story Some are good some bad some ugly most are humorous a rare few are incredible I have gathered together a couple dozen of the best Read the stories in any order read them one at a time over a period of time but do yourself a big favor READ them Some stories may be a tad scary most are funny Truth IS stranger than fiction and these stories are TRUE they really happened *Chicken Snake & Chupacabra Cow* Brandon Bishop,Brandon Bishop, Jr.,2023-12-08 It was an ordinary day on an ordinary farm until it wasn't The fire spread The animals scattered Leaving only a mystery The half chicken half snake farm celebrity puts on a tie and sets out to find justice As he makes his way through every barnyard kingdom he's cherished respected and envied by a cow with secrets of his own Join this truly bizarre edgy and thought provoking adventure for all ages FOR JUSTICE FOR THE FARM **Rift in the Soul** Faith Hunter,2024-03-05 Nell Ingram and her team face a dire supernatural evil in this newest thrilling paranormal procedural in the New York Times bestselling Soulwood series Nell Ingram draws her powers from deep in the earth and uses them to help Psy LED the Psychometric Law Enforcement Division which solves paranormal crimes When a local vampire calls to report a dead body on her compound Nell knows she and her team have to be ready for anything But the dead body is just the beginning of a mystery that involves supernaturals of all kinds including some of the most powerful vampires in the country As Nell gets closer to the truth she begins to understand that the perpetrator is tracking her too and that there is something personal about this crime Something with roots that go almost as deep as those in Soulwood **Hoggee** Anna Myers,2011-08-31 Howard Gardner is starving to death All spring and summer Howard and his older more charming brother Jack worked as hoggees driving the mules that pulled boats along the Erie Canal In a misguided attempt to outshine his brother Howard chooses to stay behind in Birchport for the winter to save his traveling money and send it home to his family After his winter job falls through Howard fears that he might not survive the winter As desperate as Howard is he is haunted by the sadness he sees in the eyes of Sarah the granddaughter of the man who keeps

the mules Even though she s older than her two sisters she never speaks and she seems completely disconnected from the world Sarah s family won t discuss her problem with outsiders but Howard longs to help her in any way he can and his quest to do so eventually reveals to him how he truly compares to his brother Once again Anna Myers has crafted a moving nuanced coming of age story set against the backdrop of an intriguing historical era **Flannery O'Connor and Me** Dr. James Lewis McLeod,2017-08-16 Outside of Milledgeville Georgia was the ClineOConnor farm Andalusia Seated on the veranda in a rocking chair overlooking the sloping hills was a badly crippled woman slowly degenerating from lupus living with a mother who loved her but was not on her wavelength and living in a town largely unable to appreciate her at the time She had a difficult hand to play Her name is Flannery OConnor and she always did her own thing The truth is Flannery was a complex and mysterious female writer who had a deep desire for mystery and privacy of self So if there are things we do not know about her so what And if she would not eat eggs of chickens she personally knew what of it Should genius not be allowed some endearing personal and private idiosyncrasies She did her thing I am writing how I knew her and how I saw her and what she meant to me as a writer and thinker and believer I would not have Good Sister Flannery whom I saw as a nun without a habit not be recognized as the virtuous as well as talented person and teacher she was I had much unalloyed admiration of her but how the reader sees her must be ultimately left up to the reader I knew her and saw her as a part of the larger picture of Gods grace which is working everywhere By sharing some of these memories of her I am very imperfectly trying to pass on some of the knowledge and humor she shared with me *Texas Snakes* John E. Werler,James R. classic field guide to snakes found in the Old Dominion now available in paperback **Snakes** Catherine Cooper Hopley, 1882 **The Wilderness Family** Kobie Kruger, 2014-11-28 When Kobie Kruger her game ranger husband and their three young daughters moved to one of the most isolated corners of the world a remote ranger station in the Mahlangeni region of South Africa's vast Kruger National Park she might have worried that she would become engulfed with loneliness

and boredom Yet for Kobie and her family the seventeen years spent in this spectacularly beautiful park proved to be the most magical and occasionally the most hair raising of their lives Kobie recounts their enchanting adventures and extraordinary experiences in this vast reserve a place where bathed in golden sunlight hippos basked in the glittering waters of the Letaba River storks and herons perched along the shoreline and fruit bats hung in the sausage trees But as the Krugers settled in they discovered that not all was peace and harmony They soon became accustomed to living with the unexpected the sneaky hyenas who stole blankets and cooking pots the sinister looking pythons that slithered into the house and the usually placid elephants who grew foul tempered in the violent heat of the summer And one terrible day a lion attacked Kobus in the bush and nearly killed him Yet nothing prepared the Krugers for their greatest adventure of all the raising of an orphaned prince a lion cub who when they found him was only a few days old and on the verge of death Reared on a cocktail of love and bottles of fat enriched milk Leo soon became an affectionate rambunctious and adored member of the family It is the rearing of this young king and the hilarious endeavours to teach him to become a real lion who could survive with his own kind in the wild that lie at the heart of this endearing memoir It is a memoir of a magical place and time that can never be recaptured
