—Advertisement—

1. The Snuff Dipper's Ball is a new and original amusement for the winter months. It is a game of skill and chance, and is played by dipping a snuff dipper into a ball of snuff, and then dipping it into a glass of water. The object is to get the dipper out of the water without getting it wet. The game is played by two or more players, and the winner is the one who gets the dipper out of the water without getting it wet.
