ABOUT VOLUME FOUR All the world's religions are experiencing rapid change due to a confluence of social and economic global forces Factors such as the pervasive intrusion of globalizing political and economic developments polarized and morally equivalent presentations seen in the media and the sense of surety demanded in and promised by a culture dominated by science are some of the factors that have placed extreme pressure on all religious traditions This has stimulated unprecedented responses by religious groups ranging from fundamentalism to the syncretistic search for meaning As religion takes on new forms the balance between individual and community is disrupted and reconfigured Religions often lose the capacity to recall their ultimate purpose or lead their adherents toward it This is the situation we call the crisis of the holy It is a confluence of threats challenges and opportunities for all religions This volume explores the contours of pressures changes and transformations and reflects on how all our religions are changing By identifying commonalities across religions as they respond to these pressures The Crisis of the Holy recommends ways religious traditions might cope with these changes and how they might join forces in doing so

ABOUT VOLUME FIVE The chapters collected in this book prepared by a think tank of the Elijah Interfaith Academy address the subject of religious leadership The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership As such it is also germane to religious thought where reflections on religious leadership occupy an important place What does it mean to be a religious leader in today's world To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations and to what degree do we encounter challenges today that are unique to our day and age One dimension is surely unique and that is the very ability to explore these issues from an interreligious perspective and to consider challenges opportunities and strategies across religious traditions Studying the theme across six faith traditions Christianity Islam Judaism Sikhism Hinduism and Buddhism The Future of Religious Leadership World Religions in Conversation recognizes the common challenges to present day religious leadership

VOLUME SIX One of the biggest challenges for relations between religions is the view of the religious Other The question touches the roots of our theological views The Religious Other Hostility Hospitality and the Hope of Human Flourishing explores the views of multiple religious traditions on how to regard otherness How does one move from hostility to hospitality How can hospitality be understood not simply as social hospitality but as theological hospitality making room for the religious Other on theological grounds What is our vision for the flourishing of the Other

while respecting his otherness This volume is an exercise in constructive interreligious theology By including Abrahamic and non Abrahamic traditions it approaches these challenges from multiple perspectives highlighting commonalities in approach and ways in which one tradition might inspire another Contributors Vincent J Cornell Alon Goshen Gottstein Richard P Hayes Lord Rabbi Jonathan Sacks Deepak Sarma Stephen W Sykes Dharma Master Hsin Tao Ashok Vohra **NLT Parallel Study Bible** Tyndale,2011-08 Discovery and Application on the Same Page for the First Time Now you don t have to choose between context and application Expository study notes help you understand the Bible like a 1st century believer Number one selling Life Application notes help you apply its truths in a 21st century world This Bible recognizes that Bible application is best done with a thorough knowledge of historical and literary context The NLT Study Bible is excellent at establishing this base The Life Application Study Bible content can then guide the reader in concrete steps toward application The New Living Translation is an authoritative Bible translation rendered faithfully into today s English from the ancient texts by 90 leading Bible scholars The NLT s scholarship and clarity breathe life into even the most difficult to understand Bible passages That s why we call it The Truth Made Clear *A Shared Christian Life* Ben Witherington III,2012-08-01 This book is for is for everyday Christians who seek to love God and offer charity toward others by celebrating spiritual practices in their congregation It is meant to encourage you to be an integral part of the body of Christ working and serving together loving God with hearts but also with hands and feet to be formed as a disciple of Jesus Christ In the Wesleyan tradition we believe that Christian formation happens best when two or more are gathered So focus is the body of Christ gathered worshipping sharing learning fellowshiping taking Holy Communion and doing works of piety and charity together In addition a relationship with God is not primarily an individual s lonely personal quest for transcendence It is not about becoming more self centered more self focused but it is about becoming more self forgetful The book outlines spiritual practices that involve individual and congregational transformation through learning and loving fellowship and worship by being lifted up in spirit and being enlightened in mind A normal Christian life needs balance not only between work and rest and play but also between worship sacraments doing and learning It needs balance between being alone with God and time with significant others
