So You're Human:

So You Think You're Human? Felipe Fernández-Armesto, 2005 You think you're human But what does that mean How can humanity be defined Felipe Fernandez Armesto takes us on an enlightening and provocative journey through the history of humankind to reveal the challenges to our most fundamental belief that we are and have always been human Fernandez Armesto investigates advances in artificial intelligence and genetics and asks what these mean for the future of human values human rights and the defence of human dignity The book illustrates how our concept of humankind has changed over time and how our current understanding of this has been shaken by new challenges from science and philosophy **The Promise of Melusine** Stephen C. Graves, 2013-06-10 In our galactic neighborhood surveyors for the Federation of Intelligent Species determined that humans are a dangerous outlier race whose violent nature and rapidly developing technology will be destabilizing to their vast ancient culture Following an established species extinction plan FIS agents installed mass drivers to guide large asteroid missiles toward Earth In The Swordfish Island Covenant French Huguenots who experienced persecution under Louis XIV agreed to burden their descendants with defending Earth over three hundred years in the future The Promise of Melusine is the fulfillment of that agreement Hidden from the FIS from other humans and ignorant of what is happening in them the people of Swordfish Island gradually transform A teenage girl is the key to their activation Lida lives in a Los Angeles suburb She must discover her heritage and survive to find her people Still even if she succeeds can a hundred thousand amplified human beings have any significant impact against a culture of ten million worlds and four million space faring alien species *Sociology for Human Rights* David L. Brunnsma, Keri E. Iyall Smith, Brian K. Gran, 2019-07-19 As sociologists deepen their examinations of human rights in their teaching research and thinking it is essential that such work is conducted in a manner that is both mindful and critical of the knowledge we are building upon in sociology and human rights As the authors of this volume reveal creating sociological knowledge that examines human rights for the expansion of human rights is something that sociologists are well equipped to undertake whether through the use of mathematics comparative historical analysis the study of emotions conversations or social psychology In these chapters you will find the roots of the study of human rights deep within sociological research and thinking as well as emerging techniques that will push the discipline as it seeks to expand understanding of human rights together with so many other aspects of the social condition Master Your Thoughts ... Transform Your Life Dr John Tibane, 2012-06-05 Everything begins with a thought You cannot do anything say anything or be anything without having a thought about it first The thought might not be obvious it can be subtle it can be years old or it can be part of someone else's belief system You also cannot change what you do say or become without changing your thoughts This is why learning how to improve your thinking is the first and most important step in reshaping yourself and your life In Think It Become It Dr John Tibane offers his expert advice and some powerful tools to help you shift your mental gears and have a more positive impact on the world around you By working

through the methods outlined in this book you will slowly thought by thought action by action begin to change both who you are and the kind of life experiences you encounter This interactive book is filled with practical exercises information that is easy to follow and plenty of useful tips You will learn How to think rich and get rich How to think performance and perform How to think time and get the most of your time The ten dimensions of thinking including Billboard Thinking Zero Based Thinking Harvest Thinking and Outcomes Based Thinking Think It Become It teaches that by claiming the power of your thinking you too can master your own destiny
