The Miracle of the Qur'an Yasir Qadhi,2020-01-06 The Qur an is the greatest miracle of God Allah and the Qur an is the proof of the truthfulness of Islam It is the standing and everlasting miracle but very rarely have we heard how is it a miracle The Qur an is the ultimate miracle of our Prophet Muhammad Sallahualaihi wassalam S A W It is such a miracle that all the other miracles are considered trivial and inconsequential compared to the Qur an This is because the Qur an is so powerful so bright and blinding that no matter how bright the other miracles are when you have the sun the stars become useless In this book Dr Yasir Qadhi discussed on the miracles of the Qur an that we either have never acknowledge or we often overlooked The miracles of the Qur an are endless and the points are abundance to be mentioned      **The Workes of Sir Thomas More Knyght, Sometye Lorde Chauncellour of England** Thomas More,1557      **The Works of Nathaniel Lardner** Nathaniel Lardner,1815      *The Works of the Most Reverend Dr. John Tillotson ...* John Tillotson,1717      **Blaise**

The Homilies of St Chrysostom on St Matthew were undoubtedly delivered at Antioch see Hom vii p 43 and probably in the latter part of the time during which he preached as a Presbyter Montfaucon considers his little mention of the sin of swearing a sign of his accomplished some reformation on that point by his previous exertions In the Homilies delivered from 386 to 388 it is a constant topic and the Homilies known to belong to that date are so numerous as scarcely leave room for such a series as the present These however contain very little to mark the period to which they belong The argument from his reference to dissensions some time gone by possible those between St Meletius and Paulinus and Evagrius in commenting on St Matt xxiii 6 is not very conclusive A modern reader must sometimes be struck with finding in St Chrysostom a kind of criticism which we are apt to think belongs only to later times His main object however is moral and he searches out with diligence both the meaning and the applications of particular passages usually concluding with an eloquent exhortation to some special virtue Some of the most remarkable of these exhortations are on the subject of Alms giving which he seems to have pressed with some success at last His calculation in Hom lxvi as to what might be done is somewhat curious In the end of Hom lxxxviii he demands a reformation as the condition of his entering on the controversy with Infidels In the next Homily he discusses the evidence of the Resurrection with nearly the same arguments as would still be used against an objector This is volume two out of two covering the homilies XLII through XC     *Secret Miracles of Therese, Jude and Blaise* Juanita De Guzman Gutierrez BSED MSED,2020-06-29 I was about to choke on a big tilapia fish bone The long bone was lodged opposite on either side of my throat And each time I breathe the bone just got stuck inside my tonsils all the more Then I suddenly remembered to pray to Saint Blaise and a great miracle happened I prayed for nine days to Saint Therese of Lisieux Therese is famous for answering prayers with the signs of roses And on the ninth day a man was waiting at the bus stop with a bouquet of roses He said it was for me I made a nine day prayer to Saint Jude And I promised him that if my prayers will be granted that I will make him known My prayers were granted and this is the reason why I am writing this book And that is to spread the goodness of these three Ascended Masters Galactic Stars Avatars we call saints So you can all experience and live them in your reality as well If not so already And the powerful prayers or conversations or mantra to Therese Blaise and Jude are also in this book Or you also can make your own words to acknowledge and communicate to them of your good intents for the good of mankind and of your own magnificent self Most of all Read the many more stories of miracles that I had personally experienced of these three fellow Gods and Goddesses Kings and Queens just as we are known as Saints And they are Saint Therese Saint Jude and Saint Blaise It is because the God Source Energy is within inside of you and me We are all

Royalties as the Creator Source is home in our wonderful and compassionate hearts and brilliant and powerful minds This is the reason why our heads is called Temple And our hearts pulsate with love As God Source is Love God is Love And all who live in Love abides in God And God lives in him or her as the scriptures state
