Words from Awaki Bernetha George MD, 2014-11-20 Don't believe the hype believe what you see Apocalypse as we have come to fear is not apocalypse as it truly is We live today in the time of apocalypse and for some it is pure torment For those around the world living with bombs raining down on them yes that is apocalyptic torture as we feared For those thousands and millions throughout the universe visited and killed by the deadly flu and flu like diseases SARS swine flu bird flu West Nile virus etc Ebola tuberculosis measles cholera dengue fever EV D68 and HIV AIDS yes those are apocalyptic diseases as we feared For those ravished killed left homeless and totally dispossessed by these record breaking seemingly wicked weather events we are currently experiencing yes they would agree that these are for certain apocalyptic changes as we feared However given there are over seven billion of us on the planet and those apocalyptic events mentioned have only killed millions not billions of us they don't seem to rise to the level of chaos and destruction we have been conditioned to fear as being apocalyptic Nevertheless our over exaggerated deep seated and conditioned fears notwithstanding Armageddon is upon us and the signs of it have been for almost twenty years that we know of Those above mentioned apocalyptic occurrences are the signs we were all told would be by John the Revelator in Revelation November 1995 to May 1996 no fewer than seventy of us were told by an angel Awaki and his Angels of God that the signs had already begun and that Armageddon would begin in the year 2000 Our story no matter how far fetched it may seem is true The evidentiary events of war disease and bizarre weather changes we witness daily provide for us the credibility of what we were told The angel Shakardak told us Some will see and they will believe some will not see and they will believe some will hear and they will believe and some will not hear and they will believe and then there will be those who will see and they will not believe and there will be those who will hear and they will not believe

Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
