*Complete Works of Peter Cheyney. Lemmy Caution Books, Slim Callaghan Books, Dark Novels, Short Fiction* Peter Cheyney, 2022-01-05 Peter Cheyney is perhaps best known for his short stories and novels about agent detective Lemmy Caution. Caution was first portrayed as a Federal Bureau of Investigation (FBI) agent and in later stories as a private detective. Another popular creation was the private detective Slim Callaghan, who also appeared in a series of novels and subsequent film adaptations. He was constructed as a British response to the more hardboiled detectives of American fiction such as Sam Spade and Philip Marlowe. A meticulous researcher, Cheyney kept a massive set of files on criminal activity in London, but these were destroyed during the Blitz in 1941; he however soon began to replace his collection of clippings. He dictated his work. Typically, he would act out his stories for his secretary Miss Sprague, who would copy them down in shorthand and type them up later.
