Sober on a Small Plane Dina Ben-Lev,1995 **Sober on a Small Plane** Dina Ben-Lev,1993 *Small Press Review*
,1995 Deadly Divergence C.J. Darling, When FBI Special Agent Mariah Conners is injured in the line of duty her partner Quinn MacAllister decides Bermuda is the perfect place for them to relax and recuperate But it isn't called the Bermuda Triangle for nothing First their charter plane goes down in a freak electrical storm and they're cast adrift with two spoiled teenagers and an elderly retired couple Then they discover that the remote tropical island sheltering them holds a deadly secret a unique sentient lifeform with incredible healing power for those few who can survive exposure to its potent spores And to really cap things off an old enemy is in hot pursuit He wants the spores for himself and he'll kill anyone who gets in his way Can Mac and Conners keep their companions alive and escape the mysterious island before he destroys them all Excerpt Mac Mariah stared in blank horror as the plane's shattered nose sank beneath the choppy storm darkened waves leaving behind only a trail of shimmering bubbles Mac Someone was holding her back pleading with her clutching her arms in a fierce paralyzing grip Let me go she yelled wrenching free He's my partner The bubbles were slowly fading away She dove kicking hard following the plane's lazy descent Icy darkness enveloped her Her lungs began to ache and fiery spots danced before her eyes but she couldn't give up she just couldn't More rising air bubbles suddenly exploded in her face blinding her Then her groping fingers brushed against something slippery Mac's leather jacket One last frantic surge of energy moved her weakening legs propelling her upward again dragging his heavy weight behind her Please Mac don't die Cold rain suddenly lashed against her upturned face Sputtering she sucked in deep breaths of precious air Lightning flared overhead painfully bright against her dilated eyes The iron bands constricting her chest slowly eased as she fought to keep Mac's sagging head above the waves Thunder rumbled in her ears as the heavy waves knocked her back and forth Frigid water cascaded over her head and she resurfaced with a strangled cough Then something hard stung her flailing hand A rope She wrapped stiffening fingers around it New energy surged through her aching frame when Reuben's hand locked around Mac's limp arm Hurry she shouted He's not breathing Esther leaned out perilously far to help and slowly they hauled his long body into the raft Then it was Conners' turn and she wanted to sob with relief as the ocean reluctantly loosened its death grip on her thrashing legs Mac was sprawled face down in the sloshing raft Help me roll him over she gasped Oh God his lips were blue and his open eyes were glazed He can't die not yet Helpful hands steadied her as she bent to force air down his windpipe Again And again Breathe thrust Breathe thrust Breathe thrust Suddenly his limp body convulsed and a gush of salty water erupted from his open mouth Conners tilted his head to one side and let the water drain Breathe Mac she ordered pushing hard against his ribs one last time Come on damn it Breathe He jerked again and this time she heard the sweet rush of air filling his lungs His chest began to rise and fall in a slow rhythmic cadence as his taut muscles relaxed Another huge wave crashed into the raft drenching them with icy spray How long will this storm last Reuben shouted in her ear His aging

face was drawn with fear The raft is filling up with water fast Emergency rafts are built to handle a lot of water she yelled back Just hang on Suddenly the black clouds and shrieking winds vanished For one ageless nauseating moment the entire world seemed to whirl in dizzying spirals Then a soft warm rain began to patter down around them She bolted upright and stared wildly around What the hell It was impossible Fierce squalls didn't just appear and then disappear in the blink of an eye But the violent electrical storm was gone The gigantic crashing waves were gone And as they watched in stunned disbelief the hazy gray clouds overhead simply melted away and the golden sun began to shine down from a perfectly clear blue sky The ocean around them was calm gentle and empty The other life raft was nowhere to be seen *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State)., **The Truchas Light** R. M. Lienau, 2013-11-15

Ryan, 2021-10-12 But they were dead and he still had a chance to live. It was years since he had gone from one great part to the next but life had merely shifted. Why couldn't he accept this? He was an actor plain and simple, an abstract and brief chronicle of the time. He had always done his job. By now he'd spent more time in Hollywood than in New York and had done more films than plays. Susan was right, he had been lucky, blessed even to have had a chance to do the work he'd done. True, his life on the stage was gone, melted into thin air and would never come back the way of things and something to be faced. Whether he was in a play or film or soap opera or now a sitcom, he would just do the best he knew how. He was an actor and an actor acts. As he looked out to the brilliant green sea and up to the sky, he glowed with contentment that somehow he was able also to accommodate the melancholy that would always be part of him. A seagull glided by on the wind, right in front of him, and he heard the voice of his first teacher, Doug Ramey, across the years. The only thing that counts is the work. As with life, it's a process and nothing matters but the doing. The Patriot Group, an American novel Charles L.
