Soccer Skills And Tactics

Marcel A. Müller

Soccer Skills And Tactics:

Soccer Skills and Tactics Ken Jones, Pat Welton, 1988-12 **Soccer Skills and Tactics** Tim Edward, 2004 Basic Soccer Drills for Kids Chest Dugger, 2022-11-01

Are you looking to take your kids soccer game under 15 years to the next level? Note: The author has coached teams to finals of national competitions; his teams have played at St George's Park, the home of English soccer, twice. He was invited to be a part of the expert panel when the Government re-wrote the curriculum for sport in school in 2010. He has coached across wide ages, but his main experience is ages 8-13 and within that 9-11. All of the drills are ones he has used; his teams were not selective, just normal school sides. All these drills can be adapted by a good coach for any age. Soccer is the most popular team sport in the world. It is perfect for kids to play. It is safe, simple, and the skills required can be easily acquired. Becoming an expert player requires high levels of dedication, natural athleticism, and innate skills. Any girl or boy can take to the sport and find enjoyment at their own level. It is for this reason that the game is escalating to such a rapid extent in the US. And it is why the need for coaches and players is growing continuously and rapidly. After all, who would not turn down the chance for their kids to keep physically fit, to allow their natural competitiveness to be channelled in an organized way, to be kept busy in a manner that is both productive and worthwhile? In addition to this, soccer develops dexterity, problem solving, collaboration, friendship, respect, self-discipline, team spirit, and sportsmanship. All of which are life skills that are best acquired young. But there is so much to learn for youngsters who wish to become soccer players at a good club level. Shooting, defending, pressing, passing, controlling the ball, the laws of the game, even professionals struggle at times with the offside law, as do it sometimes seems the referees themselves. And more important than all of these, children must learn about the spirit of soccer: Fair play and the sportsmanship mentioned above. This is especially so for today's youngsters facing all the pressures of growing up in a challenging world driven by the twin pressures of consumerism and social media. Here's what's included in this book: The 7 different kinds of skills that kids need to learn in soccer. How Ball Control Skills escalate the level of your kids' soccer game. 6 Passing Drills that will improve team cohesion quickly. Offensive Tips, Tricks, and Drills that will make your team win. 6 Drills that will make your kids get to defend in numbers and strength. How to get kids to learn from the pros on TV. 6 Drills that will make your kids get to defend in numbers and strength. 5 Dribbling Tips and Drills that will make your kid stand out. How the Mental Side of Soccer will improve your kids' social and life skills. What Parents must do during soccer practice and games. Scroll up and Download Now.

The Winning Formula Charles Hughes, 1990 **Skills & Strategies for Coaching Soccer** Alan Hargreaves, 2009-09-28
