China's Literary and Cultural Scenes at the Turn of the 21st Century Jie Lu, 2013-10-18 China's literary and cultural production at the turn of the twenty first century is marked by heterogeneity plurality and diversity Given its complexity the literary cultural production of this period perhaps can be understood most productively as a response to a global modernity that has touched and transformed all aspects of contemporary Chinese reality The eleven essays in this book offer an introduction to some of the most important works published at the turn of the twenty first century In combining textual analysis of specific works with theoretical insights and in locating the texts in their sociocultural and socioeconomic contexts the essays explore key theoretical issues and intellectual concerns of the time They collectively draw

a broad contour of new developments major trends and radical changes capturing the intellectual and cultural Zeitgeist of the age All in all these essays offer new theoretical approaches to and critical perspectives on contemporary Chinese literature and culture

Cultural Theory and the Problem of Modernity Alan Swingewood,1998-08-24 This book presents a critical analysis of the relation between sociological theory and recent debates in cultural studies A distinctive sociological perspective is developed based on the work of Marx Weber Bourdieu and Bakhtin The book examines the problems of theorising issues such as modernity mass culture and postmodernity by advocating a historical and context based approach

Health and Modernity David V. McQueen,Ilona Kickbusch,Louise Potvin,2007-02-05 Pandemics substance abuse natural disasters obesity and warfare these are not only health crises but social crises as well Now a panel of leaders in global health explores the vital but understudied social theories behind the practice of health promotion including cultural capital risk and causality systems theory and the dynamic between individual and community

An Anthology of African Cultural Studies, Volume I Keyan G. Tomaselli,Handel Kashope Wright,2024-10-04 This volume provides an overview of fundamental or grounding themes in African Cultural Studies including the articulation of African cultural studies the issue of Africa s diaspora s African identity and identifications and media studies in Africa and its relationship with cultural studies The first of two volumes the book predominantly pulls together a rich reservoir of previously published articles from Critical Arts South North Cultural and Media Studies mapping a long history of the field that draws from a diverse range of origins and locations especially from within Africa itself The first section of the book addresses how African cultural studies has been called for and explained both as a comprehensive continental and sometimes national discourse and as being in conversation with established global cultural studies The second section addresses the African diaspora and what might be termed diasporic African cultural studies A third principal theme explored is how African identities and identifications are articulated in African cultural studies On spatiality the volume takes a stance on the exclusive continental versus continuity conception of Africa the African diaspora is treated as contributory and its relationship to the continent as problematic while taking up continental Africa as the principal location of African cultural studies In terms of identity Blackness is taken up as the dominant but importantly not exclusive racial identity and identification of African cultural studies and gender and social class are also addressed in novel ways The book ends with an examination of the complex relationship between media studies and cultural studies This book will be a key resource for academics researchers and advanced students of African cultural studies media and cultural studies African studies history politics sociology and social and cultural anthropology while also being of interest to those seeking an introduction to the sub field of African cultural studies

Indigenous Shona Philosophy Pascah Mungwini,2017-12-29 Some of the most provocative questions confronting philosophers in Africa are grounded in the historical memory of conquest and the peripheralisation the continent Mungwini offers a critical reconstruction of indigenous Shona philosophy as an aspect of the African intellectual

heritage held hostage by colonial modernity In this comprehensive work he lays bare the thoughts of the Shona who are credited with the founding of the ancient Great Zimbabwe civilisation Retracing the epistemic thread in the fabric of Shona culture and philosophy he explores the assumptions that inform their thinking The exchange of such knowledge is fundamental to the future of humanity

Cultural Theory and Late Modernity Johan Fornäs,1995 This text offers an overview of contemporary cultural theory Drawing together different approaches and traditions the author demonstrates the breadth of the field of cultural theory and proposes a multidimensional model for understanding culture in late modernity

Mapping Modernities Alan Dingsdale,2013-02-01 When the communist governments of Eastern Europe and the Soviet Union collapsed between 1989 and 1991 there was a revived interest in a region that had been largely neglected by western geographers Mapping Modernities draws on the resulting work and other original theoretical and empirical sources to describe interpret and explain the place and spatial order of modernities in Central and Eastern Europe since 1920 to give a theoretically underpinned regional geography of the area The book interprets the geography of Central and Eastern Europe from 1920 to 2000 in terms of spatial modernity It details the individual and collective development of places produced within the three modernising projects of Nationalism Communism and Neo liberalism

Handbook of Historical Sociology Gerard Delanty,Engin F Isin,2003-06-03 The overall conception of the volume is absolutely splendid and the editors skilfully place the material in the context of disciplinary and post disciplinary developments in sociology This is a major contribution to the field as well as a comprehensive and reliable guide to its main components William Outhwaite Professor of Sociology School of European Studies University of Sussex It is hard to think of anything that has been left out in this masterly survey of contemporary historical sociology The editors have done a superb job in the selection of both themes and contributors We now at last have an up to date book to assign in our graduate courses on comparative historical sociology There s really nothing else like it out there The editors introduction is one of the best things I have read on how the field developed and the problems it has encountered Krishan Kumar William R Kenan Jr Professor of Sociology University of Virginia The range of topics covered and the number of distinguished scholars who have contributed to the handbook is impressive with leading figures such as Bryan S Turner John R Hall Gianfranco Poggi and Craig Calhoun among the contributors to a book that covers areas as diverse as post colonial historiography and the historical sociology of the city the handbook fills a void within the sizable literature on historical sociology and undoubtedly will be a useful addition to graduate reading lists The British Journal of Sociology What is important in historical sociology What are the main routes of development in the subject This Handbook consists of 26 chapters on historical sociology It is divided into three parts Part One is devoted to Foundations and covers Marx Weber evolutionary and functionalist approaches the Annales School Elias Nelson and Eisenstadt Part Two moves on to consider major approaches such as modernization approaches late Marxist approaches historical geography institutional approaches cultural history intellectual history postcolonial and genealogical approaches The third part is

devoted to the major substantive themes in historical sociology ranging from state formation nationalism social movements classes patriarchy architecture religion and moral regulation to problems of periodization and East West divisions Each part includes an introduction that summarizes and contextualizes chapters A general introduction to the volume outlines the current situation of historical sociology after the cultural turn in the social sciences It argues that historical sociology is deeply divided between explanatory sociological approaches and more empirical and interpretative historical approaches Systematic and informative the book offers readers the most complete and authoritative guide to historical sociology

Rethinking the French New Right Tamir Bar-On, 2013-04-12 This book focuses on the philosophy politics and impact of the New Right which originated in France and has since influenced activism ideology and policy in a number of European countries This book explores the idea that revolutionaries do not necessarily need to come from the left nor use arms in order to overturn liberal democracy In the post World War Two era the extremists of the revolutionary right took three different paths 1 parliamentary 2 extra parliamentary and 3 metapolitical The New Right nouvelle droite ND in France took the metapolitical path but that did not mean it abandoned its revolutionary desire to smash liberal democracy throughout Europe The book examines four interpretations of the New Right These interpretations include the following 1 The New Right as a fascist or quasi fascist movement 2 The New Right as a challenge to the traditional right left dichotomy which has structured European political debates for more than 200 years 3 The New Right as an alternative modernist movement which rejects liberal and socialist narratives of modernity accepts the technical but not political or cultural effects of modernity and longs for a pan European political framework abolishing liberal multiculturalism and privileging ethnic dominance of so called original Europeans and 4 The New Right as a variant of political religion and conversionary processes The book concludes by analysing the positions cultural and political impact and relationship to democracy of the New Right This work will be of great interest to students and scholars of racism fascism extremism European politics French politics and contemporary political theory

A Poetics of Modernity Aparna Bhargava Dharwadker, 2018-10-16 The urban theatre which emerged under Anglo European and local influences in colonial metropolises such as Calcutta and Bombay around the mid nineteenth century marked the beginning of the modern period in Indian theatre distinct from classical postclassical and more proximate precolonial traditions A Poetics of Modernity offers a unique selection of original theoretically significant writings on theatre by playwrights directors actors designers activists and policy makers to explore the full range of discursive positions that make these urban practitioners modern The source texts represent nine languages including English and about one third of them have been translated into English for the first time the volume thus retrieves a multilingual archive that so far had remained scattered in print and manuscript sources around the country A comprehensive introduction by Dharwadker argues for historically precise definitions of theatrical modernity outlines some of its constitutive features and connects it to the foundational theoretical principles of urban theatre practice in modern India

The Left in Search of a Center Michael

Crozier, Peter Murphy, 1996 Does leftist political thought have a future American liberalism is being marginalized European socialism is exhausted and cultural radicalism has become little more than a sideshow Contributors to The Left in Search of a Center probe questions of how political community can be imagined and constituted in the contemporary world Together they make it apparent that the still emerging idea of political community is anchored in the pluralistic and cross cultural nature of late twentieth century Western societies

Dance, Modernity and Culture Helen Thomas, 2003-09-02 By examining the development of modern dance in the USA in the inter war period Thomas develops a framework for analysing dance from a sociological perspective She applies her approach to among others St Denis Ted Shawn and Martha Graham

The Sacred in the City Liliana Gómez, Walter Van Herck, 2012-02-09 This book reflects the way in which the city interacts with the sacred in all its many guises with religion and the human search for meaning in life As the process of urbanization of society is accelerating thus giving an increasing importance to cities and the metropolis it is relevant to investigate the social or cultural cohesion that these urban agglomerations manifest Religion is keenly observed as witnessing a growth crucially impacting cultural and political dynamics as well as determining the emergence of new sacred symbols and their inscription in urban spaces worldwide The sacred has become an important category of a new interpretation of social and cultural transformation processes From a unique broader perspective the volume focuses on the relationship between the city and the sacred Taking a multidisciplinary approach combining the expertise of philosophers historians architects social geographers sociologists and anthropologists it draws a nuanced picture of the different layers of religion of the sacred and its diverse forms within the city with examples from Europe South America and the Caribbean and Africa

Theoretical Criminology from Modernity to Post-Modernism Wayne Morrison, 2014-12-18 This book incorporates many of the exciting debates in the social sciences and philosophy of knowledge concerning the issues of modernity and post modernism It sets out a new project for criminology a criminology of modernity and offers a sustained critique of theorizing without a concern for social totalities This book is designed to place criminological theory at the cutting edge of contemporary debates Wayne Morrison reviews the history and present state of criminology and identifies a range of social problems and large scale social processes which

must be addressed if the subject is to attain intellectual commitment This book marks a new development in criminological texts and will serve a valuable function not only for students and academics but for all those interested in the project of understanding crime in contemporary conditions **Uzbekistan's Foreign Policy** Bernardo Fazendeiro, 2017-08-25

Uzbekistan's foreign policy from 1991 to 2016 starting from independence right up to the death of its first president Islam Karimov is one of the more distinctive approaches to international politics since the end of the Cold War This distinctiveness rests on the republic's gradual struggle for self reliance upon becoming independent Authorities in Uzbekistan especially its President were sceptics of the norms that came to prevail across regional and broader international politics This book addresses the making of Uzbekistan's general foreign policy and its corresponding effects outside Central Asia particularly at the highest level among state officials heads of state and ministers It shows how a particular set of promises slogans and attitudes became the pillars upon which Uzbekistan's international role was shaped a role which then affected Tashkent's twenty five year relations with Russia the United States Germany and Turkey The book argues that the Government of Uzbekistan sought to be recognised as a self reliant power after independence but that the international norms of the post Cold War order coupled with the conflicting aims of the partners with whom it interacted hindered acknowledgement and contributed to a twenty year struggle for recognition Providing a thorough assessment of President Karimov's legacy in the foreign policy domain this book contributes to the developing field of role theory and recognition in International Relations It will also be of interest to academics in the fields of Central Asian and Eurasian politics and international relations
