Some Aspects of Japan and Her Defence Forces Malcolm Duncan Kennedy, 1928 *The China Weekly Review* , 1928
Millard's Review of the Far East , 1922 Vol 34 includes Special tariff conference issue Nov 6 1925 *Trübner's Bibliographical Catalogues* Kegan Paul, Trench, Trubner & Co, 1925 *Canadian Defence Quarterly* , 1928 **The Soldier and the State** Samuel P. Huntington, 1981-09-15 In this classic work Huntington challenges old assumptions and ideas on the role of the military in society Stressing the value of the military outlook for American national policy Huntington has performed the distinctive task of developing a general theory of civil military relations and subjecting it to rigorous historical analysis **Military Review** , 1930 *The Estrangement of Great Britain and Japan, 1917-35* Malcolm Duncan Kennedy, 1969 *Public Affairs Information Service Bulletin* , 1929 *Bulletin of the Public Affairs Information Service* Public Affairs Information Service, 1929 **The Anglo-Japanese Alliance** Ian Nish, 2013-12-17 In this book Professor Nish deals with one of the most important aspects of far eastern politics in the critical period between 1894 and 1907 His object is to demonstrate how Britain and Japan at first separately and later jointly reacted to Russian encroachments in China and east Asia he is concerned also with the policies of the other European powers and of the U S to whose hostility towards the Anglo Japanese alliance after 1905 Britain showed herself increasingly sensitive First published in 1966 this title is part of the Bloomsbury Academic Collections series **Japanese Traditions of Christianity** M Paske-Smith, 2018-12-21 Published in 1930 this book traces the long history of Christianity in Japan Paske Smith details the journey of the early missionaries from the west the conflict that arose from the introduction of Christianity to Japan and how Christianity s influence transformed some of the Japanese cultural landscape **The Army Quarterly** , 1929 *Provincial Life and the Military in Imperial Japan* Stewart Lone, 2009-10-23 The book challenges the long standing view of prewar Japan as a militaristic society Instead of relying on the usual accounts about senior commanders and politics at the heart of government it shows the realities of provincial society s relations with the military in Japan at ground level **Militarism and Foreign Policy in Japan** E Causton, 2010-11-01 The Manchurian Incident of 1931 led to a Japanese occupation the birth of Manchoukuo and the withdrawal of Japan from the League of Nations At the time it seemed as if the army and navy were exerting a supreme influence This volume points out that this influence is not new and that there are strong reasons for its existence and continuance It shows how it is fostered by the peculiar political structure of the country and how though often unintelligible to Europeans it may be understood and accounted for in the light of the historical and political background of Japan
Nomonhan Alvin D. Coox, 1985 From May to September 1939 Japan and the Soviet Union fought a fierce large scale undeclared war on the Mongolian plains that ended with a decisive Soviet victory with two important results Japan reoriented its strategic emphasis towards the south leading to war with the United States Britain and the Netherlands and Russia freed itself from the fear of fighting on two fronts thus vitally affecting the course of the war with Germany

American-Japanese Security Agreements, Past and Present Thomas A. Drohan, 2015-01-28 What led two mortal enemies to become allies nine years after the end of World War II When the Allies began their occupation of defeated Axis countries many people favored a program of harsh reparation and demilitarization For the United States this was tempered with a desire not only to prevent such a war from happening again but to help the occupied countries rebuild their economic and political infrastructure This aspiration coupled with the rise of communist China and its perceived threat not only to Southeast Asia but the world formed the catalyst for a U S Japanese alliance The alliance between the United States and Japan persists in spite of changing political world views The changes which have affected world politics have often resulted in corresponding adjustments to the U S Japan security agreement From 1954 to the present day this volume takes an in depth look at the fundamental nature of the relationship The book addresses the historical origins of security relations in both countries and the ways in which these formed the basis for their postwar security cooperation and examines the negotiated set of shared military economic and political agreements and expectations which have shaped their relationship The work s main focus however is the way in which this alliance has evolved Four cases of significant policy change in 1960 1981 1987 and 1997 are analyzed along with a discussion of the relevant strategic and tactical realities of the time The reactions of the United States and Japan to recent events such as Iraq s Kuwait invasion and the 2001 terrorist attacks on America are also discussed Numerous tables are included *British Intelligence and the Japanese Challenge in Asia, 1914-1941* A. Best, 2002-07-16 This is the first full length study of the role played by British Intelligence in influencing policy towards Japan from the decline of the Alliance to the outbreak of the Pacific War Using many previously classified records it describes how the image of Japan generated by Intelligence during this period led Britain to underestimate Japanese military capabilities in 1941 The book shows how this image was derived from a lack of adequate intelligence resources and racially driven assumptions about Japanese national characteristics *The Statesman's Year-Book* M. Epstein, 2016-12-28 The classic reference work that provides annually updated information on the countries of the world ***The Statesman's Year-Book*** Mortimer Epstein, 2016-12-23 The classic reference work that provides annually updated information on the countries of the world
