Congressional Record United States. Congress,1990 **Deliver Me From Evil** Mary Monroe,2012-03-01 What happens when the life you have is not the life you want Christine Thurman and her husband Jesse Ray built a business worth millions and were once deeply in love But lately J R has become obsessed with his empire and Christine feels taken for granted until Wade Eddie Fisher a bad boy with

good looks from Christine's past comes back to town. Even though Wade is penniless and undependable, he reignites something deep within Christine. Before long, she's immersed in a sultry affair and has devised a plan so risky that it promises to deliver all she could possibly want or shatter the lives of everyone close to her. With its sexual triangle and triplecrossing plot, *Deliver Me From Evil* is modern noir. Akron Beacon Journal. Her wildest and most entertaining novel yet. Publishers Weekly. *Lives of Moral Leadership* Robert Coles, 2001-10-09. In this rich and illuminating book, the Pulitzer Prize-winning bestselling author Robert Coles creates a portrait of moral leadership: what it is and how it is achieved through stories of people who have led and inspired him: Robert Kennedy, Dorothy Day, Dietrich Bonhoeffer, Erik Erikson, a Boston bus driver, teachers in college, medical school, and elementary school, among others. Coles tells how to be a moral leader and shows how the intervention of one person can change the course of history as well as influence the day-to-day quality of life in our homes, schools, communities, and nation. We need to hand one another along in life, says Coles, quoting his friend Walker Percy. And in *Lives of Moral Leadership*, he explores how each of us can be engaged in a continual and mutual life-giving process of personal and national leadership development. Coles discusses how the actions of the American president affect the way people feel about themselves and the country, and citing the influence of Shakespeare's *Henry V* on Robert Kennedy and of Tolstoy's *Anna Karenina* on his own mother, explains how reading literature can motivate action and growth. The way in which moral leaders emerge today and for all time comes vividly to light in this brilliant book by one of America's finest teachers and writers.
