Abolitionists Remember Julie Roy Jeffrey, 2012-02-01 In Abolitionists Remember Julie Roy Jeffrey illuminates a second little noted antislavery struggle as abolitionists in the postwar period attempted to counter the nation s growing inclination to forget why the war was fought what slavery was really like and why the abolitionist cause was so important In the rush to mend fences after the Civil War the memory of the past faded and turned romantic slaves became quaint owners kindly and the war itself a noble struggle for the Union Jeffrey examines the autobiographical writings of former abolitionists such as Laura Haviland Frederick Douglass Parker Pillsbury and Samuel J May revealing that they wrote not only to counter the popular image of themselves as fanatics but also to remind readers of the harsh reality of slavery and to advocate equal rights for African Americans in an era of growing racism Jim Crow and the Ku Klux Klan These abolitionists who went to great lengths to get their accounts published challenged every important point of the reconciliation narrative trying to salvage the nobility of their work for emancipation and African Americans and defending their own participation in the great events of their day

Woman Much Missed Mark Ford, 2023 Woman Much Missed is the first book length study of the many poems over 150 that Thomas Hardy composed in the wake of the death of his first wife Emma in November of 1912 Mark Ford uses these poems to develop a narrative of their four year courtship on the remote and romantic coast of Cornwall where they met and then follows Thomas s poetic recreation of the slow degeneration of their marriage and their embittered final decade Ford shows how Emma s writings and experiences during this time were fundamental to Thomas s evolution into both a best selling novelist and into one of the greatest poets of the twentieth century Although for over a decade the marriage between Thomas and Emma had been troubled and indeed Emma spent much time during her final years secluded in her attic rooms above his study her death stimulated him to write some of the greatest elegies in English Twenty one of these including masterpieces such as The

Voice which opens *Woman* much missed how you call to me call to me and *After a Journey* were collected in *Poems* of 1912

13 While these have received much attention and are often read by school pupils and university students alike his numerous other poems about Emma have only rarely been discussed Ford corrects this oversight providing accessible and insightful readings from a poet's perspective
