F. Beckingham, 1974-01-01 **The Gurage** William A. Shack, 2018-09-03 Originally published in 1966 this study gives a detailed account of all aspects of Gurage life An introductory chapter on South West Ethiopia and the history of the area is followed by descriptions of Gurage settlements ensete banana like plants cultivation kinship and marriage the political system and religious organization The author's fieldwork and discussions with many resident and migrant Gurage in Addis Ababa enabled him to provide a valuable account of a hitherto little known people and ethnographic area **The Source of the Blue Nile** Gedef Abawa Firew, Anders Kaliff, 2014-09-26 Ethiopia has a rich and fascinating cultural heritage structured around water The River Nile has been seen by many as the most important river in the world and the secrets of the sources of the Nile and their mysteries have from the dawn of civilization attracted philosophers emperors and explorers searching for answers The source of the Blue Nile Gish Abay is believed to be the outlet of the biblical river Gihon flowing directly from Paradise linking this world with Heaven The holiness of Abay the Blue Nile and its source in particular still has an important role in the Ethiopian Orthodox Church In the Lake Tana region there are also numerous other myths traditions and rituals concerning the river Several of the island monasteries are incredibly holy

and indigenous practices and sacrifices to the river are still conducted The most important celebration in the Ethiopian Orthodox Church is the Timkat festival which is an annual commemoration of the importance of baptism Despite the importance of the River Nile from antiquity to present day practices and beliefs in Ethiopian Orthodox Christianity very little research has been conducted on the cultural and religious aspects of the Blue Nile in general and its source Gish Abay and Lake Tana in Ethiopia in particular This book combines historic sources and new empirical ethnography presenting parts of this cultural heritage and the traditions of water along the Blue Nile *The Central Ethiopians, Amhara, Tigrīna and Related Peoples* William A. Shack, 2017-02-10 Routledge is proud to be re issuing this landmark series in association with the International African Institute The series published between 1950 and 1977 brings together a wealth of previously un coordinated material on the ethnic groupings and social conditions of African peoples Concise critical and for its time accurate the Ethnographic Survey contains sections as follows Physical Environment Linguistic Data Demography History Traditions of Origin Nomenclature Grouping Cultural Features Religion Witchcraft Birth Initiation Burial Social Political Organization Kinship Marriage Inheritance Slavery Land Tenure Warfare Justice Economy Trade Domestic Architecture Each of the 50 volumes will be available to buy individually and these are organized into regional sub groups East Central Africa North Eastern Africa Southern Africa West Central Africa Western Africa and Central Africa Belgian Congo The volumes are supplemented with maps available to view on routledge com or available as a pdf from the publishers The Oxford Handbook of Historical Ecology and Applied Archaeology Christian Isendahl, Daryl Stump, 2019-01-10 The Oxford Handbook of Historical Ecology and Applied Archaeology presents theoretical discussions methodological outlines and case studies describing the field of overlap between historical ecology and the emerging sub discipline of applied archaeology to highlight how modern environments and landscapes have been shaped by humans Historical ecology is based on the recognition that humans are not only capable of modifying their environments but that all environments on earth have already been directly or indirectly modified This includes anthropogenic climate change widespread deforestations and species extinctions but also very local alterations the effects of which may last a few years or may have legacies lasting centuries or more With contributions from anthropologists archaeologists human geographers and historians this volume focuses not just on defining human impacts in the past but on the ways that understanding these changes can help inform contemporary practices and development policies Some chapters present examples of how ancient or current societies have modified their environments in sustainable ways while others highlight practices that had unintended long term consequences The possibilities of learning from these practices are discussed as is the potential of using the long history of human resource exploitation as a method for building or testing models of future change The volume offers overviews for students researchers and professionals with an interest in conservation or development projects who want to understand what practical insights can be drawn from history and who seek to apply their work to contemporary issues Traditional Institutions in Contemporary African

Governance Kidane Mengisteab, Gerard Hagg, 2017-06-26 This book examines why traditional institutions have remained entrenched what the socioeconomic implications of fragmented institutional systems are and whether they facilitate or impede democratization The contributors investigate the organizational structure of traditional leaders the level of adherence of the traditional systems how dispute resolution decision making and resource allocation are conducted in the traditional system gender relations in the traditional system and how the traditional institutions interact with the formal institutions

Fighting Against the Injustice of the State and Globalization A. Jalata, 2002-02-08 The book examines compares and contrasts the African American and Oromo movements by locating them in the global context and by showing how life chances changed for the two peoples and their descendants as the modern world system became more complex and developed Since the same global system that created racialized and exploitative structures in African American and Oromo societies also facilitated the struggles of these two peoples this book demonstrates the dynamic interplay between social structures and human agencies in the system African Americans in the United States of America and Oromos in the Ethiopian Empire developed their respective liberation movements in opposition to racial ethnonational oppression cultural and colonial domination exploitation and underdevelopment By going beyond its focal point the book also explores the structural limit of nationalism and the potential of revolutionary nationalism in promoting a genuine multicultural democracy

The Horn of Africa Paul B. Henze, 2016-07-27 There are many books on individual countries of the Horn but this one is unique in treating the region as a whole stressing interactions among as well as within Sudan Ethiopia and Somalia and in turn their relations with neighbouring regions of Africa and the Middle East The author summarizes the history of the region from earliest times to the 19th century and then concentrates on Russian and American involvements
