The Sabienn Feel Adventures, #1 Mark Barkley, 2017-06-07 Two books on offer: *When The Stone Shepherds Awaken* and *Stories From The Distant Planet*. *When The Stone Shepherds Awaken* Book One: The Sabienn Feel Adventures. On a distant planet far off into the future, there is a human colony twice removed from Earth with a country preparing for war. Sabienn Feel is a military cadet being fast-tracked for promotion as their enigmatic head of state, The Great Leader, readies his armies for battle. Sabienn's world comes crashing down when one day he grows wings. And now people are trying to kill him. He also finds out that not only him, but thousands of men his age have grown wings around the world in keeping with a ten thousand year old prophecy. With his wings comes an intuitive ability to pick up an object and see a history of someone who held it. This ability has not gone unnoticed by higher powers within the realm. But what is it that The Great Leader wants of him? Will The Great Leader save him? *When The Stone Shepherds Awaken* is the first of twelve books in the Sabienn Feel Adventures. *Stories From The Distant Planet* Companion Piece: Maps, History, and Stories. The Sabienn Feel Adventures Turn to inner sleeve after titles of *When The Stone Shepherds Awaken* and use download links. 31 Fact Sheets: The concise companion piece to read with *The Sabienn Feel Adventures*. *Stories From The Distant Planet* is the must-have precis of ten thousand years of history within the planet of Whee, which lives through and has come to compel Sabienn Feel to his quest. Interview with the Author Q: What inspired you to write *The Sabienn Feel Adventures*? A: I've always loved the idea of the epic journey. I'm acquainted with the book *Journey to the West*, but was more familiar with the TV series in the 80s based on the book called *Monkey*. The idea of four souls travelling across a wide expanse of geography to complete a quest appealed to me. So I planned a series of twelve books to go from one place in the south of this space colony that they live on, twice removed from Earth, to end up in the north, meeting danger at every turn. Q: Why does your main character Sabienn Feel grow wings? A: Good question. I wanted something very drastic to occur to these people physically. Something that would be difficult to hide and offer an immediate prejudice. The idea of growing wings constantly came up for me. But they couldn't fly; otherwise, they'd hit the sky and the journey would be over in no time. I made them only able to swim because being submerged in water has elements of dealing with the subconscious. To me, it satisfies all elements of those prophecy/fantasy/epic/adventure type of stories that involve friendship and brotherhood. Q: So why should readers give these books a try? A: Well, I would say they were

Wilcox, 2012-12-18 In *Why Do I Feel This Way? What Your Feelings Are Trying To Tell You*, Dina Wilcox tells the stories of her return from the loss of her husband in order to explain how the science of feelings, emotions, and memories, with the help of that little voice she posits we all have in our heads, enabled her to re-create a life she could live with. In straightforward, plain language, each chapter contains a different piece of the story as the context for an unscientific experiment Wilcox conducted as she set about to understand what science could teach her about using her brain to help her move forward with her life. Her premise is that non-scientists like herself need to know how we can use our feelings and emotions as well as such responses to life as fear, happiness, love, empathy, intuition, and memories, which have evolved in our brains to help us live our lives deliberately and not as victims of our circumstances. *Sylvia & Michael: The later adventures of Sylvia Scarlett* Compton MacKenzie, 2022-09-16 DigiCat Publishing presents to you this special edition of *Sylvia Michael: The later adventures of Sylvia Scarlett* by Compton
