Remnants Sarah Jaune, 2018-09-21 When I thought about my death which I'd actually done because my mom had died just a few years before I'd assumed I'd go out the normal way I'd overeat until I was morbidly obese and die of a heart attack in my sixties like every other respectable red blooded American If you'd told me that a killer clown was going to stab me to death I might have even believed that What actually occurred was not my death although it might as well be and I don't even know why I'm writing all of this down except that the end of the world is a monumental experience and it should be documented for posterity Also I feel like my nephew might want to know That's really where this all began A hot chick dropped my nephew Sawyer off at my dorm room and told me to get the boy to his father which is my brother Confused So was I because my brother is married and has been for like a decade making this kid well it's complicated I'm dealing with classy people here So I go to Florida and a major solar storm hits and that should have been my

biggest worry but it wasn't and this is my story. It's the story of how I wished a killer clown had been the reality not just a wishful fantasy. Now we're trying to survive and all I can think is that dying now after I just survived the end would be extremely pathetic.

Ghost in the Spell Renee George, 2023-03-13 Being a forty something divorcee with a college bound teenage son is a freaking cakewalk compared to wielding my unruly magic. Did I mention that my newly discovered sister wants to kill me? After a hellish week spent with older than dirt archdruids and a few new enemies I'm ready to get home so I can hug my kid and sleep in my own bed. But nope that's not how my crazy magical midlife works. My spirit magic has been triggered and a ghost's cryptic message gives me more bad news. Something worse than my psycho sister might be after me. Awesome. It's Battle Royale time. I'm so over selfish magical creatures trying to steal my powers and my life. I'll need the help of all my true craft guardians if I stand a chance against my supernatural foes. But first I'll have to get into the spirit of my new element before the spirit gets into me. Literally.

Butch Cassidy and "the Wild Bunch" Erin Delfoe, E. W. Allred, 2003 Butch Cassidy and his gang pulled off the longest sequence of successful bank and train robberies in the history of the American West then disbanded and scattered across North and South America to meet their colorful ends. Or did they?

John McCain Elaine S. Povich, 2009-02-24 A rebel and risk taker from childhood John McCain son and grandson of admirals nevertheless chose to follow the traditional path marked out for him in the military. Nearly six years in a North Vietnamese prison tested his resolve and proved his extraordinary resilience and will to survive. Coming to Congress McCain found that making his way in politics demanded a different set of survival skills and he grew accustomed to the corridors of power while striving to keep his independence. This lively biography traces McCain's unlikely ascent to the verge of attaining the nation's highest office while never ceasing to challenge himself and others to serve a cause greater than self interest.

Western Sunrise Walter D. Rodgers, 2005-12-20 Western Sunrise is a future history including and ending with the successful conclusion of the next Gulf War which begins in the summer of the year 2004. The precipitating event of that war will not be described here it would give away too much. The technology involved is similar to that which might be featured in one of many techno thrillers. The narrative begins with the end of the Vietnam Conflict touches on the Panamanian invasion of 1988 describes a Mideast assignment Desert Shield Desert Storm and peacetime service in the Army Medical Department. The realism twists turns counterplots and colorful characters such as Old Franz the headwaiter late of the 11th SS Armored Division and Miss MacTavish who may or may not be an agent of MI6 make this short volume a page turner impossible to put down. It is told from the viewpoint of a career military surgeon assigned out to pasture or so he

believes after Desert Storm until it's time for him to retire. Except that his various mundane jobs requirements are highly classified and contradictory. When he tries to connect the dots he's quickly ordered not to proceed further. Without a plausible explanation he is kept on active duty long after his date of retirement in support of something mysterious, compartmented and unexplained until the last ten pages of the novel. Buy it for a man who likes action-packed stories; if he likes W. E. B. Griffin, he'll love *Western Sunrise*.
