Belinda Hernandez, 2016-03-12 In the book *I Am Someone Special* the author shares the story of her dysfunctional childhood her journey through the road of drug addiction and drug dealing and how she struggled to leave her dark past behind and move on to a new and better life Ms Hernandez did not experience the kind of childhood others enjoy by being adopted into a wealthy well off family She failed to receive the affection she wanted from her parents particularly from her adoptive mother The author was the youngest among seven children and the one who received the worst treatment from her alcoholic mother who was also addicted to drugs Her birthmother had stabbed her in the head when she was a nine month old baby After an incident that almost robbed the author of her life she was placed into an orphanage where her adoptive parents rescued her The authors adoptive family gave her the love she had long wanted along with everything she and her adopted brother and sister could ask for But despite it all Ms Hernandez became rebellious especially as a teenager Her rebellious teenage years eventually led her to the wrong path as she started using drugs and selling it as well She worked further into the drug business until she got caught and sentenced for a couple years in prison After serving her sentence the author strived to live a clean life and start anew With the help of her faith in God and the support of the man she loves she managed to reinvent herself into a better and strong person *I Am Someone Special* might appeal to a reader interested in stories that have changed the lives of individuals who recovered from drug addiction and made the decision to rebuild their lives away from drugs If you would like to get ahold of the author for questions or for advice contact her through

course There is a Facilitator s Manual that can be purchased to enable church leaders pastors and teachers to facilitate group sessions that follow the content of this manual If you are interested then please visit the website to find out more Good luck and may God bless your work for His Kingdom Yours in Christ Christian P lchen Author **Holy Spirit Conquers**

Vengeance William McNulty,2018-10-08 Joe Mallory is a handsome young man gifted by God to run He passed up options for a college scholarship to care for his ailing mother until God called her home Joe and his mother believed the voice within our head is the Holy Spirit who warns us of dangers and encourages actions in our best interest Joe s mother died leaving no extra cash only a home with a mortgage and an older vehicle to maintain Cheryl secretly trained to enter the Olympic games to win a gold medal and impress her dad who was the CEO of the Olympic committee The night she planned to tell her dad about her exciting news she was purposely run over by an automobile and left to die After two long years recuperating Cheryl ventured outside her home only to have an automobile driven by the same man who previously tried to kill her chase her wheelchair down a steep hill that led to a park where Joe was running for exercise She was angry at God for allowing her injuries to take away her chance to run for a gold medal in the Olympic games and meet the man of her dreams She asked God to forgive her for being angry at him as she felt her body slipping out of her wheelchair as Joe gave chase to catch her runaway wheelchair and bring it to a stop Cheryl looked into his eyes and saw love looking back at her and a fascinating twists and turns journey begins with acts of misplaced vengeance and an incredibly captivating love story Readers will learn how to tune in to the Holy Spirit within their own head and fall in love with Cheryl Joe Mallory and other characters revealed in the Holy Spirit Conquers Vengeance [Catalog of Copyright Entries](#) Library of Congress. new work opportunities in national defense The 1948 Women s Armed Services Integration Act created permanent military positions for women with the promise of equal pay Her Cold War follows the experiences of women in the military from the passage of the Act to the early 1980s In the late 1940s defense officials structured women s military roles on the basis of perceived gender differences Classified as noncombatants servicewomen filled roles that they might hold in civilian life such as secretarial or medical support positions Defense officials also prohibited pregnant women and mothers from remaining in the military and encouraged many women to leave upon marriage Before civilian feminists took up similar issues in the 1970s many servicewomen called for a broader definition of equality free of gender based service restrictions Tanya L Roth shows us that the battles these servicewomen fought for equality paved the way for women in combat a prerequisite for promotion to many leadership positions and opened opportunities for other servicepeople including those with disabilities LGBT and gender nonconforming people noncitizens and more

Dreams Come True William McNulty,2021-03-16 God blessed Joe Mallory with the ability to run at speeds that defied human capabilities He used his gift of speed to represent the USA in the next Olympic games While vacationing in Hawaii a freelance reporter named Samantha Mitchell made Joe world famous with her front page Sports Illustrated story about his life and achievements He soon received death threats with only two days left of the three week Hawaiian vacation that made him wonder how he would get off the island alive to see his dreams come true Cindy was injured knocked unconscious and hospitalized from a head on car accident Before she passed out she observed the face of the other driver and saw a very peculiar look in his eyes that troubled her She and her dad were later sued for millions of dollars The other driver was reportedly in a coma with life threatening injuries and wheeled into the courtroom confined to a modified wheelchair specifically designed for him His injuries made no sense to her Cindy noticed his medical team periodically giving him injections If he was in a coma why would he be getting injections she wondered On one occasion when she looked over at him lying sideways facing her he opened only the closest eye to the wheelchair and looked at her to mouth the words Help me She nodded her head and watched him nod his before he closed his eye His medical team was now holding a long needle

getting ready to give him another injection The jury was ready to return with their verdict which meant she was running out of time She had to do something impulsive She prayed as she rose from her chair and ran across the courtroom not realizing at the time God was about to make her dreams come true
