Raising Cain W. T. Lhamon,1998 Cain made the first blackface turn blackface minstrels liked to say of the first man forced to wander the world acting out his low place in life It wasn t the approved reading but then blackface wasn t the approved culture either yet somehow we re still dancing to its renegade tune The story of an insubordinate rebellious truly popular culture stretching from Jim Crow to hip hop is told for the first time in *Raising Cain* a provocative look at how the outcasts of official culture have made their own place in the world Unearthing a wealth of long buried plays and songs rethinking materials often deemed too troubling or lowly to handle and overturning cherished ideas about classics from Uncle Tom s Cabin to Benito Cereno to *The Jazz Singer* W T Lhamon Jr sets out a startlingly original history of blackface as a cultural ritual that for all its racist elements was ultimately liberating He shows that early blackface dating back to the 1830s put forward an interpretation of blackness as that which endured a commonly felt scorn and often outwitted it To follow the subsequent turns taken by the many forms of blackface is to pursue the way modern social shifts produce and disperse culture *Raising Cain* follows these forms as they prolong and adapt folk performance and popular rites for industrial commerce then project themselves into the rougher modes of postmodern life through such heirs of blackface as stand up comedy rock n roll talk TV and hip hop Formally raising Cain in its myriad variants blackface appears here as a racial project more radical even than abolitionism Lhamon s account of its provenance and persistence is a major reinterpretation of American culture *Nighty-Nightmare* James Howe,2012-01-24 An overnight camping trip Not Harold s idea of fun Too many mosquitoes ticks and cockleburs But when the Monroe family set out their faithful dog Harold was with them mostly because he remembered that camping could also bring s mores and toasted marshmallows Howie the other family dog and Chester the cat were also included in the trip Only Chester thought the idea was completely insane The woods he informed Harold were not only full of cockleburs and ticks but of spirits evil spirits who prey on the innocent And on this the worst night of the year St George s Eve when all spirits are set loose who knew what could happen What Harold knew was that Chester was a well read over stimulated cat full of weird ideas He did not take Chester s worries too seriously He had s more to think about But then the Monroes set up camp near two strange men and their even stranger dog and things began to

happen that made even Harold wonder Could Chester be right This begins a long night full of terrors and alarms full of Chester s horrifying tale of how Bunnacula the vampire bunny was born and came to America full of storms and a total sense of danger and at the end came surprises that even Chester could not have predicted Once again the Monroe family may be the victims of evil forces or only of Chester s strange imagination But whichever the result is suspenseful and very very funny
