Dohrmann, 2020-08-26 After successfully publishing the first six books of The Family Bible Studies Series I thought it would be good to personalize the book series and finish it with my personal autobiography As people follow authors and their writings they often become curious about their background and personal experiences including the hurdles they had to overcome to complete their goals and to reach the vast populous of the world we live in for today and the days to come The Family Bible Studies Series has been put together to be a very helpful tool for individuals and parents to have personal Bible studies for themselves and with the family Even grandparents will find this series very personally beneficial and a great teaching aid to pass on to their grandchildren and others as well see Deut 4 9 6 1 2 This series is also an excellent guide for counselors premarriage and remarriage foundation church leadership Bible studies for support to individuals and family development and youth group Bible studies All ages can certainly benefit from the practical topics and foundational studies included in The Family Bible Studies Series Enjoy the many discoveries to be found for individuals and the family in The Family Bible Studies Series A complete listing of all the books is found at the end of this book *After Disney* Neil O'Brien, 2025-03-04 The untold succession struggle at Walt

Disney Productions following the death of its founder and the generational transformation which led to the birth of the modern multibillion dollar animation industry Walt Disney left behind big dreams when he died in 1966 Perhaps none was greater than the hope that his son in law Ron Miller would someday run his studio Under Miller's leadership Disney expanded into new frontiers global theme parks computer animation cable television home video and video games Despite these innovations Ron struggled to expand the Disney brand beyond its midcentury image of wholesome family entertainment even as times and tastes evolved Tensions between Miller and Walt's nephew Roy E Disney threatened to destroy the

company leading Wall Street Gordon Gekko types to come after Mickey Mouse At the same time the aging Animation Department once the core of Walt s business was one memo away from shutting down forever Rather thanks to the radical efforts of Walt s veterans to recruit and nurture young talent it was revived by this sudden influx of artists who would go on to revolutionize the film industry Additionally this new generation would prove over time that animation was so much more than just kids stuff it was a multibillion dollar industry This is the upstairs downstairs story of the executives and animators who clashed and collaborated to keep America s most storied company alive during the most uncertain period in its one hundred year history
