

# EVERYTHING

Everything means **all things**.

When everything is a subject, we use it with a singular verb.

*Everything is packed, and we are ready to leave.*

# SOMETHING

Everything means **a thing that is not exactly known or stated**.

We don't usually use something in negatives and questions

*I need to talk to you about something.*

# ANYTHING

We use **anything** instead of something in negatives and questions.

*I don't know **anything** about this.  
Did you notice **anything** strange?*

# NOTHING

Nothing means **not anything or no single thing**. We don't use a negative verb in a clause with nothing.

*There was **nothing** in the drawer.  
I turned the key but **nothing** happened.*
