it and to become a rabbi Readers will not emerge unscathed from this searing work written by a distinguished Boston based rabbi and academic     Mary Two Legs Cassandra Morphy,2024-05-10 Mary isn t like the other mermaids in her pod She grew up with certain disabilities She can t hold her breath for as long as the others so she has a rebreather to help her Her tail was malformed coming down in two parts instead of one so she can t swim as fast as the others But the thing that made Mary the most different was that she was adopted after being found in a human vessel But when the humans come back looking for Mary she is forced to make the biggest decision go with them or risk her family and the secret that had kept her people safe for centuries Safe from the monsters that lived on shore Safe from her and the people that she was born to It wasn t that hard of a decision What was hard was figuring out how to survive in that world and how to get back home

**Deceptions** Rebecca Frayn,2010-10-14 Julian and Annie have only just announced their forthcoming marriage when Annie s twelve year old son Dan mysteriously fails to come home from school Despite an extensive police investigation the days turn into weeks and it is as if he has vanished into thin air Over the next three years Annie refuses to give up hope that somewhere her son is alive and will one day return home Julian meanwhile can t help but yearn for Annie to put the past behind her and move on Then out of the blue a call from Glasgow brings shocking news of Dan s fate And far from being over it seems the mystery of his disappearance is only just beginning     The Acts of the Holy Spirit: Our Personal Journey Chris Morris,2018-11-12 Is God still in the miracle business Did miracles only occur for the early church Can God really do the impossible Is the Bible trustworthy and was Jesus telling the truth Can we physically experience or even see miracles Like most people when I was young I had faith in Jesus but scoffed at people who said they had witnessed miracles Then I witnessed one little miracle I was dumbfounded I then witnessed another and then another and before long I witnessed miracle after miracle incredible miracles that I had been told only the early church could experience I wrote this book for my children because I wanted them to have a record of the acts of the Holy Spirit we had witnessed on our journey through life Everything Jesus said proved to be true Our family is not special We are not saints We are not unusual We have our problems and shortcomings I suspect our family is not much different than yours except perhaps for one thing We pray for the Lord s help and believe His help is on the way Jesus said in Mark 11 2324 For assuredly I say to you whoever says to this mountain Be removed and be cast into the sea and does not doubt in his heart but believes that those things he says will be done he will have whatever he says Therefore I say to you whatever things you ask when you pray believe that you receive them and you will have them     *Return of Her Italian Duke* Rebecca Winters,2017-03-01 The duke she s never forgotten When Gemma Rizzo applied to become pastry chef at the gorgeous Italian castello where she grew up she never expected to get the job But neither did she expect to find that her new boss was silver eyed billionaire Vincenzo Gagliardi the man who left her brokenhearted Her first instinct is to run but when Vincenzo finally reveals the devastating truth of what caused him to flee eleven years before Gemma must decide if she can trust the haunted man she never stopped loving     *Stories of Vigilant*

*Courage* Adam Hildebrand,2008-08 If you find yourself at the bedside of a child with multiple handicaps and complex medical needs you need to read this book Whether you are a nurse doctor parent or family member health care professional or a personal ally of an individual who is disabled you will benefit from reading the stories in the book and the analysis of issues by the editor It sometimes happens that some people whether a professional or not will be tempted to think of such children as better off dead an extremely dangerous assumption Illness and suffering do not diminish the value of a person s life and no one has the right to decide whether or not a person should live or die This book gives firsthand accounts of the experiences of handicapped children and their families in health care settings Their experiences vary from doctor to doctor nurse to nurse and hospital to hospital The key difference is that some people held a strong belief that every person s life has intrinsic value and that their lives were sacred Yet others measured the value of a life according to external factors such as level of disability impairments and level of suffering whether presumed or real You can guess which people gave better care and which children lived longer and better accordingly In spite of the difficult challenges that handicapped children and their families face as described in these stories this book is a book of hope You will be inspired by the courageous tenacity of parents who literally stood at the bedside of their children often for months and protected and affirmed the well being of their child This is a book about people who made a difference a difference between life and death     *Enhancing Hubble's Vision* David J. Shayler,David M. Harland,2015-11-25 This book tells the story of the four missions to maintain Hubble s successful operation Between 1997 and 2009 these repaired serviced and upgraded the instruments on the telescope to maintain its state of the art capabilities It draws on first hand interviews with those closely involved in the project The spacewalking skills and experiences gained from maintaining and upgrading Hubble had direct application to the construction of the International Space Station and help with its maintenance These skills can be applied to future human and robotic satellite servicing and maintenance activities as well not only in Earth orbit but at locations deeper in space A companion to this book *The Hubble Space Telescope From Concept to Success* relates the events of the Telescope s launch in 1990 and its rough start after a 20 year struggle to place a large optical telescope in orbit Originally intended to operate for fifteen years Hubble has just passed its 25th anniversary and there is every expectation that it will survive for thirty years Despite its early problems the Hubble Space Telescope has become a lasting legacy of the Space Shuttle program and indeed is a national treasure     *Hume's Fork* Ron Cooper,2007-04-10 A comic drama about philosophy family religion and of course professional wrestling Barely adequate philosophy professor Legare Hume has a mind body problem No matter how far he goes no matter how hard he thinks he can t escape the world he lives in Hume s Fork is a brilliantly satirical and philosophical novel every bit as funny as it is intelligent a true original     **The Stanolis** Dr. Vincent M. M. Galici Sr.,2017-01-11 Many families are comprised of the good and the bad the cherished and the reprehensible some change others never intend to This is the generational saga of the ups and downs of one such Mafia family the Stanolis The Stanolis

the third of four novellas in the series follows the saga of the Stanoli family who originated from Mezzogiorno and Sicily and moved to America in the first decade of the twentieth century Involved in organized crime they are steeled in learning from the past and they often find better tomorrows Filled with tales of crime and murder as well as love this story begins in 1932 The Stanolis by author Dr Vincent M M Galici Sr deals with the main characters in greater depth in a complex storyline Incidents and characters both familiar and new are reintroduced and advanced The suspense rages on and the scenic historic psychological spiritual and social crescendo continues to build
