Retrospective—From the Void of Emptiness to Planet Earth Herman Wong, 2012-12-29 I was given an opportunity to return to Earth to complete my unfinished business from God While I was visiting heaven I had re signed a contract with God

promising that I would write a book about my experience I always fulfill what I promise I believe it is a beautiful thing to do I have written about my experience in this book Retrospective From the Void of Emptiness to Planet Earth I have explored what it is like living as a spirit in nothingness before we set foot on Earth In my opinion our true nature is an infinite being temporarily accommodated in a physical body that we animate on Earth This is part of the spiritual journey we must take I have explained how a person should take care of himself because no one else can provide such personal responsibility for another individual Therefore you should love yourself and believe you are significant Celebrate your life at every moment In addition in discussing an issue regarding my health I realized that the most valuable thing in life is to have superb health That is how I ended up in heaven but was given a second chance to return to Earth to finish what I wanted to complete

Moore, 2003-06-19 Many Christians accept that homosexual acts are wrong on the authority of the Church For many others such teaching contradicts what they know to be the obvious truth In this book Gareth Moore closely and dispassionately examines the bases of Christian anti gay arguments Moore critically explores the language that we use to describe and define human sexuality and what this means for what we think we know about sex identity and morality At the centre of this work is a thorough and revolutionary analysis of the Bible on homosexuality posing such questions as Is there a unified biblical teaching on sex or homosexuality Are we misreading the Bible by applying modern thinking and terms Must Christians accept Paul's supposed rejection of homosexuality when they do not follow all of his teaching for example his low estimation of marriage 1 Cor 7 For Moore the criticism that gay practice is remote from Christian values is just as true of straight life Gay Christians are often responsible and thoughtful moral agents and to propose otherwise is both unreasonable and deeply disrespectful It is a precondition of being heard that we listen and in the end the gospel can only be preached effectively by those who listen
