Something to Remember Gerry Werven,2022-03-24 A touching memoir about Marthin Werven a Norwegian emigrant who settles in North Dakota at the beginning of the 20th century As Marthin struggles to support his

family during the thirties and forties he becomes dependent on his three sons Lawrence would eventually leave the farm to serve in the Army during the Korean War Later a failing U S economy forces Lawrence to relocate his own family to Muscat Oman where he becomes the first American to lead a convoy across the Arabian Peninsula The lives of Marthin and Lawrence are told by Gerry Werven who shares his memories of his grandfather and father as well as his own experiences growing up in Walhalla North Dakota Ebony ,2001-01 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Ordinary Time: My Memoir, with "How to Compile a Memoir"** Irene "GG" Zajac-Vondra,Irene Ann Alderman,2014 Features How to Compile a Memoir directions and 300 questions to help you or someone you love create an unforgettable gift for your family Ordinary Time is my 94 year old grandmother s story with photos and tidbits from history to give context It is my hope that this book inspires others to begin a similar project We are quickly losing our window of opportunity to capture the memories of the Greatest Generation GG felt that no one would be interested in her stories because she is not famous and never did anything important at least in her mind That is exactly what makes her story so wonderful See life through the eyes of a girl living on a Michigan farm and moving to Chicago during the Great Depression and of a young wife and mother during a World War Here we have a glimpse of life in a time some of us may remember and others could never begin to imagine Cozy up with your favorite literary libations turn off your cell phone and journey through Ordinary Time **New York Magazine** ,1989-04-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Repass Family Newsletter ,1991 **Peace as Liberation** Fatima Waqi Sajjad,2023-09-29 This edited volume highlights a type of violence largely overlooked by peace psychologists it explores epistemic violence which refers to the silencing of the marginalized racialized and colonized people in the process of knowledge production This book celebrates the voices and the agency of the subalterns honoring their visions testimonies and struggles to push boundaries and create spaces for peace within oppressive environments Visions and Praxis from below refers to peace visions and struggles of the people who live below the vital ability of shaping the world according to their own vision It is a challenge to the hegemonic perspective that credible thinking on peace can only be done by the people from above This perspective will add to the understanding of not only peace psychologists but all those who work toward social justice Princeton Alumni Weekly ,1954 **Against the Wind** Neal Gabler,2023-11-21 New York Times Book Review Editors Choice From the author of Catching the Wind comes the second volume of the definitive biography of Ted Kennedy and a history of modern American liberalism Magisterial an intricate astute study of political power brokering comparable to Robert A Caro s profile of Lyndon

Johnson in Master of the Senate Publishers Weekly starred review Against the Wind completes Neal Gabler's magisterial biography of Ted Kennedy but it also unfolds the epic tragic story of the fall of liberalism and the destruction of political morality in America With Richard Nixon having stilled the liberal wind that once propelled Kennedy's and his fallen brothers political crusades Ted Kennedy faced a lonely battle As Republicans pressed Reaganite dogmas of individual freedom and responsibility and Democratic centrists fell into line Kennedy was left as the most powerful voice legislating on behalf of those society would neglect or punish the poor the working class and African Americans Gabler shows how the fault lines that cracked open in the wake of the Civil Rights movement and Vietnam were intentionally widened by Kennedy's Republican rivals to create a moral vision of America that stood in direct opposition to once broadly shared commitments to racial justice and economic equality Yet even as he fought this shift Ted Kennedy's personal moral failures in this era the endless rumors of his womanizing and public drunkenness and his bizarre behavior during the events that led to rape accusations against his nephew William Kennedy Smith would be used again and again to weaken his voice and undercut his claims to political morality Tracing Kennedy's life from the wilderness of the Reagan years through the compromises of the Clinton era from his rage against the craven cruelty of George W Bush to his hope that Obama would deliver on a lifetime of effort on behalf of universal health care Gabler unfolds Kennedy's heroic legislative work against the backdrop of a nation grown lost and fractured In this outstanding conclusion to the saga that began with *Catching the Wind* Neal Gabler offers his inimitable insight into a man who fought to keep liberalism alive when so many were determined to extinguish it Against the Wind sheds new light both on a revered figure in the American Century and on America's current existential crisis
