## **Something To Think About:**

*Something to Think About* Ken Myers, 2020-02-13 Acts 17:11 tells us that the Christians in the church at Berea willingly received the Word of God and daily searched the scriptures in order to determine the accuracy of the things taught to them. Similarly, *Something to Think About Things Not Taught in School* looks to the scriptures in order to determine the accuracy of the teachings presently presented to our generation. This book is a series of Bible studies that look into the foundation of the Christian faith. Based on scriptural references, it looks at not only what Christians believe but why they believe as they do. Each study is written for a new believer, but the subject matter is of great value also to an older believer who is looking into the elements of his or her faith. Most of the studies presented begin as a word study on one of the basic building blocks of our Christian faith. A quick look into the book reveals that the author relies heavily on the scriptures to make a point. This methodology is used for two reasons: 1. the author believes that the truth resides not in his words but in God's word, and 2. he firmly believes that the word of God can and does explain itself when properly presented with other supportive scriptures. This book will cause you to reflect on the things that you have been taught. In fact, many of the teachings presented in the book came from questions asked by fellow believers during Bible studies conducted by the author. The intent of this work is not to question your faith but to establish and ground your faith in the scriptural proofs found in the Bible.

**Something to Think About** Rosanna Mendicino, 2015-09-14 *Something To Think About* Each antidote triggers a spark of the already known rather than a big secret revealed. Elevate your thoughts for they can take you to places you only dream of. The confidence you gain with each page will provide the ultimate gift of believing in yourself. Each page of *Something to Think About* provided a different life lesson of love, growth, and grace, and it blew me away. Mendicino's words of wisdom need to be heard by every single soul, young and old. Airaby Vaeda Mann, Miss Mississippi Teen USA 2014 model student. A lovely read. This book presents a light set of daily reminders to keep the women of our youth genuine, strong, inspired, and grounded as they face the unfamiliar and unanticipated challenges of growing up. I especially loved the inclusion of famous quotes from female influencers that inspired each piece; they were a wonderful representation of how women have shaped the world we live in today and continue to thrive in it. Stephanie Apa, marketing and real estate professional, former NBA dancer, 2010-2013.

They are each written about everyday situations that we may encounter at some time in our lives and provide us with some scriptural references that may be of help. Some of the essays are humorous and some more serious, but they all have one basic theme in mind: we can find God's presence in our everyday
