

Sometimes it's necessary to go a long
distance out of the way in order to
come back a short distance correctly.

Lawrence,2023-10-20 Using a critical lens derived from ecopsychology and its praxis ecotherapy this book explores the relationships Madeleine L

Engle develops for her characters in a selection of the novels from her three Time Austin family and O Keefe family series as those relationships develop along a human nonhuman kinship continuum This is accomplished through an examination both of pairs of novels from the fantastic and the realistic series and of single novels which stand out as slightly different from the most prominent genre in a given series Thus this examination also shows L Engle s fluid movement along a fantasy reality continuum and demonstrates the integration of the three series with each other Importantly through examining these relationships and this movement along continuums in these novels the project demonstrates how ecopsychology and ecotherapy provide strong and important and as yet virtually unexplored intersections with children s literature
