Olu Gans,2015-12-18 Desy was part Organic part Genetic She had been created in a lab and looked nothing like her family She hated the fact that she looked different from her brothers She grew up listening to her brothers tell a family legend that had been handed down through many generations The legend promised that someday a brilliant orb of light would appear And on that day a mystical transformation would take place A selected ancestor of days long forgotten would find a special person and together they would travel to a place beyond tomorrow Now Desy s world was about to come to an end It had been abused for too many generations and there was no longer any hope for a future As Desy sat and cried under a scraggly tree she unknowingly wrapped her fingers around a shiny stone fragment Suddenly her world spun and disappeared leaving her swirling inside a purple mist When she stopped spinning she found herself just beyond tomorrow The Spirit of Hope ,

**The Holy One 2: The 2nd Civilization** Alexandru Dumbrava, In a desolate future one immortal survivor bears the weight of a civilization s memories haunted by the alien invaders who shattered humanity This solitary leader struggles with the responsibility of guiding a small band of misfits a fierce warrior whose valor inspires hope a tactical mastermind whose strategies could shift the tide of battle and a brilliant scientist armed with groundbreaking technology Together they represent the last flicker of resistance against the forces that threaten their very existence As the shadows of their past loom large the stakes could not be higher Each character grapples with personal demons and the scars of prior failures threaten to unravel their united front Can they rise above their insecurities and reclaim their world or will their doubts besiege their collective efforts to restore humanity The clock is ticking and the aliens draw nearer relentless in their assault In this thrilling saga courage is tested alliances are forged and the meaning of hope is redefined Facing insurmountable odds this group of unlikely heroes must confront both external foes and internal conflicts Their journey is not just about survival it s about redemption unity and the fierce determination to rise from the ashes of despair Will they emerge victorious or will the echoes of their lost civilization remain forever silenced Words of an Ordinary Man Donnie Joe Cameron,2020-01-07
