Somewhere Dreams Must Come True:

Somewhere Dreams Must Come True Wilma R. Lewis, 2000-07-26 The dream of going to California tugged at Will throughout his childhood on a Missouri farm in the 1850s After a move to Wisconsin with his family he is eventually able to start west with his young wife Anna The adventures of this growing family are shared by many who choose to answer the call of homestead lands waiting to be earned by their labor Though it may sound like an invitation to paradise it sometimes becomes discouraging Bad weather hostile neighbors plagues and infidelity were not what one expected in the promised land but sometimes have to be dealt with Following these families as they deal with adversity forms a heart tugging narrative and involves the reader in the lives of the women and men who lead the way **Princeton Alumni Weekly**, 1913 **Exits from the Pearly Gates** Lucretia Graves, 1919 **Unconnected** David O. does indeed hold the deepest fears tears and loves in my life The book contains so many feelings tears and love and as one person put it So Pretty So Many Tears when the tears wouldn't stop and how I couldn't stop thinking of and wanting to die Like I said I actually really lost my mind There are many different poems in this book some are regarding abuse death love reincarnation and even living with physical pain as I do now and have been ever since the year of 2001 it seems as if once the denial stopped and the admission of Tony being dead occurred the pain and suffering I had secretly been feeling in my heart and my soul suddenly spurted out of me and showed and was now felt physically For the secret I was holding within me was the secret I withheld even from my own self and that was that Tony was dead I was full of secrets all of my life first I held the secret from my family the love I had for Tony he was my secret love Then I held the biggest secret from myself the death of Tony's body but not the death of my love for him There are also some poems from my granddaughter Vanessa Espitia and from two of my daughters Desiree Grace and Princess Anna both of whom I encourage to write all their thoughts and feelings from their heart if that is what they want to do Most of my 12 children are blessed with the talents of writing and art along with some of my grandchildren So Pretty
