In the Night Time (Before the Sun Rises) Nina Segal,2016-02-15 A baby cries A bottle breaks A window smashes Over the course of one night mum and dad try to still their screaming infant but as the hours grow longer the world becomes elastic around them and the horrors that scar our planet crash in to the baby s room Should they ever have brought this child into such a wounded world

Am I Someone (The Poetry) Allen Francis Foley,2001-03-23 AM I SOMEONE The Poetry is best described as a communion of words written from the heart a place of truth The author may best be described as the Rod McKuen of the 90 s and beyond He plunges deep into self deep into glorious and painful memories and deep into a conscious unconscious life And then he begins all over again Here is one heart and one mind reaching out to touch the hearts and minds of others Dreams achieved through the words and emotions stirred through and through by never doubting he has loved Love had Love lost Love abused and misused And love the substance of miracles when all else fails in a world that seems so lost unto itself AM I SOMEONE The Poetry tells of life as an open invitation to cry to laugh to love to live and to die It s a connection with the emotions we all feel and hear A communion of life from the heart a place of truth

The Night Sky, Updated and Expanded Edition Richard Grossinger,2014-09-30 Ever since Homo sapiens first looked up at the stars we as a species have been looking for meaning in the mysteries of the night sky Over the millennia as our knowledge science and technology developed the stories we told ourselves about the universe and our place in it developed as well In The Night Sky Richard Grossinger traces those developments covering multiple aspects of humanity s complex relationship to the cosmos Covering not only astronomy but also cosmology cosmogony astrology and science fiction he offers us a revelatory look at the firmament through his own telescope fitted with an anthropological lens Throughout his explorations Grossinger continually reflects on the deeper meaning of our changing concepts about the universe and creation offering insight into how each new discovery causes us to redefine the values moralities and aesthetics by which we live He also calls into question the self aggrandizing notion that humanity can and will conquer all and injects our strident confidence in science with a healthy dose of humility and wonder Filled with poetic observation and profound questions The Night Sky is a brilliant reflection of humanity s relationship with the cosmos a relationship fed by longing doubt and awe

Tender Is the Night F. Scott Fitzgerald, 1996-06-10 F Scott Fitzgerald wrote in a friend's copy of *Tender Is the Night* If you liked *The Great Gatsby* for God's sake read this *Gatsby* was a tour de force but this is a confession of faith Set in the South of France in the decade after World War I *Tender Is the Night* is the story of a brilliant and magnetic psychiatrist named Dick Diver the bewitching wealthy and dangerously unstable mental patient Nicole who becomes his wife and the beautiful harrowing ten year pas de deux they act out along the border between sanity and madness In *Tender Is the Night* Fitzgerald deliberately set out to write the most ambitious and far reaching novel of his career experimenting radically with narrative conventions of chronology and point of view and drawing on early breakthroughs in psychiatry to enrich his account of the makeup and breakdown of character and culture *Tender Is the Night* is also the most intensely even painfully autobiographical of Fitzgerald's novels it smolders with a dark bitter vitality because it is so utterly true This account of a caring man who disintegrates under the twin strains of his wife's derangement and a lifestyle that gnaws away at his sense of moral values offers an authorial cri de coeur while Dick Diver's downward spiral into alcoholic dissolution is an eerie portent of Fitzgerald's own fate F Scott Fitzgerald literally put his soul into *Tender Is the Night* and the novel's lack of commercial success upon its initial publication in 1934 shattered him He would die six years later without having published another novel and without knowing that *Tender Is the Night* would come to be seen as perhaps its author's most poignant masterpiece In Mabel Dodge Luhan's words it raised him to the heights of a modern Orpheus
