Peter Sinn Nachtrieb, 2012 *THE STORY BOB* chronicles the highly unusual life of Bob and his lifelong quest to become a Great Man. Born and abandoned in the bathroom of a fast food restaurant, Bob energetically embarks on an epic journey across America and encounters inspirations.

Lifedance Lucille Osterweil, 2002 *The Lifedance* As human beings, we are both unique individuals and social creatures who need others for both our physical and emotional well-being. Our life is thus characterized by two conflicting urges: to satisfy our own needs or to defer to the needs of others. How to keep a satisfactory balance between these opposing pulls is the subject of *The Lifedance*. The attitudes and skills enabling us to perform this back-and-forth dance between autonomy and mutuality are clearly described. Interesting vignettes of people caught in the typical dilemmas of the *Lifedance* are provided. Exercises are provided at the end of each chapter to test readers' understanding of the attitudes and skills presented. This fascinating book is written in a lively, accessible style and provides important information helpful for people having difficulty keeping this crucial balance. A delightful and novel book full of valuable information that readers will find very helpful.

Godly Pieces Andre Hibler, 2012-05-25 The communication of God's word via church setting, a seminar, Christian radio, a song, or a cordial conversation can, through the saving knowledge of Jesus Christ, invigorate an unbeliever, edify the body of believers, and more importantly, bring glory to God. The discussion of God's word exercised in practical short stories can have the same impact as they continue to be a fruitful and viable form of literary expression. *Staged Action*

Lee Papa, 2009 This is an anthology of six plays from the workers' theatre movement of the 1920s and 1930s. The book explains the movement and traces its influence on American drama from David Mamet and August Wilson to the work of Anna Deavere Smith and Vermont's Bread and Puppet Theatre. The six selections also include explanations providing historical, cultural, and literary context. *Processional* by John Howard Lawson and Upton Sinclair's *Singing Jailbirds* reflect the large-scale arrests of strikers and union organizers during and after World War I. Two other plays were produced at labor colleges. Bonchi Friedman's 1926 play *The Miners* combines expressionism and realism in a drama about a violent strike that has an unusual female union leader as its hero. In *Mill Shadows* by Tom Tippet, a town changes from a simple industrial

village into a place of rebellion and eventually a union community The last two plays are representative of those produced by the International Ladies Garment Workers Union In contrast to Irwin Swerdlow s one act agitprop In Union There Is Strength the musical revue Pins and Needles until Oklahoma the longest running musical on Broadway is a collection of satirical sketches that parodies workers theatre while simultaneously taking on serious issues like the treatment of blue and white collar workers and the rise of fascism overseas
